

County 4-H Fair Opens; Exhibits Draw Crowds

BELLEVILLE--The 23rd Annual Wayne County 4-H Youth Fair is now in progress at the Wayne County 4-H Fairgrounds.

This year's kick-off of the popular attraction was the annual Wayne County 4-H Youth Clubs' Fair Parade held on Sunday afternoon and witnessed by hundreds of spectators.

The fair officially opened its 500 to 800 exhibits on Tuesday at the Fairgrounds, located on Quirk Road, north of I-94 Expressway.

The Parade started at the Belleville High School and then wound its way through the Belleville area to the Fairgrounds.

The parade had numerous entries including Queen Miss Shalimar Beaty, 17, of Belleville and her queenly court and full dressed horse brigades, floats, bands, displays and clowns.

At the Fairgrounds are exhibits for both young and old. Entertainment of all kinds and the all-important Midway.

During the day judges will be busy judging events by the score.

Today (Wednesday) and Thursday evening admission to the grand stand is free starting at 7:30 p.m.

SCHEDULE OF EVENTS
Wednesday: 7:30 P.M. Small Tractor Pulling Contest; 7:30 P.M. Grandstand - 4-H Talent, Bands, Husband Calling, Hog Calling.
Thursday: 7:30 P.M. Grandstand-T.V. Personality, 4-H Talent
Friday: 7:30 P.M. Pony Pulling Contest
Saturday: 1:00 P.M. Tractor Plowing Contest; 7:30 P.M. 4-H Awards Program
Sunday: 9: A.M. - Open Horse Show.

FAIR ASSOCIATION officials expect in an excess of 60,000 persons during the six-day run of the Fair (Aug. 12-17). The opening day crowd approximated 25,000 to 30,000.

HOME MAKING, Crafts, Horticulture, Horses and other livestock exhibits, Tractor and Pony Pulling events are among some of the many exhibits awaiting fair goers.

Citizens District Council Gets Preview on Townhouse Plans

ROMULUS--The Wayne-Beverly Citizens District Council members were given a preview of the Townhouses proposed for construction in the Wayne-Beverly area by Charles L. Langes, Inc., builder and developer from Pontiac, Michigan.

Plans call for 90 units on Wayne Road, north of Beverly and 80 units on Wayne Road, north of Ecorse.

The Townhouses will range in size from 1 to 3 bedrooms and will be rented and sold on the co-op basis.

Reginald Simons, vice-president of the company made the presentation. He said that each site will have a Community building and that green areas and tot lots will be provided.

Rates for each dwelling is based on the number of bedrooms of the unit.

A one bedroom unit, one story - \$117.00 per month; two bedroom unit, one story - \$127.00 per month; two bedroom, two story - \$135.00 per month; and the three bedroom two story unit will be \$147.00 per month.

INCLUDED in the monthly payments are heat, water, and maintenance expenses.

To be eligible for occupancy in these homes, a family's income can be up to \$122 per week for single person and up to \$175 per week for a family of 5 or 6.

Each unit will cost approximately \$16,800. Stove, refrigerator and garbage disposal come with each unit. These homes are expected to be ready for occupancy by December 1969.

After Simon's presentation the Citizens District Council reviewed the street plan for Project No. One in the Urban Renewal Area.

Due to changes in the street pattern, several new streets will be added, which needed to be named. During the discussion the decision was made that they should be named after people who had lived in the Wayne-Beverly Area and had been active in community affairs.

THE NAMES of the streets and persons they were named for are as follows:

New Payroll Processing Approved

ROMULUS--All payroll data processing of Romulus Township employees and administrative staff will be performed by the National Bank of Detroit, Supervisor Roderick E. Smith, disclosed.

A contract calling for payroll processing by NBD has been approved by the Township Board at their Aug. 4 session. All that remains before actual operation of the contract terms is an approval by the township attorney.

Supervisor Smith reported that under this new payroll processing system a saving of some \$2,000 per year to the township is realized.

The new system will eliminate payroll processing by major departments of government into one single agency thus freeing present complement of persons on payroll duties to other assignments.

Parking Repairs Ordered

ROMULUS--Holes in the parking area at the rear of the 34th District Court are to be repaired immediately. Supervisor Roderick E. Smith, reported.

The Township Board on Aug. 4 instructed the Water and Sewer Department to repair the holes by covering them with new stone and gravel.

The 34th District Court is now located at 30240 Eureka Road, Romulus.

Weed Control Law Approved by Romulus

ROMULUS--An Ordinance to create the Office of Commissioner of Noxious Weeds has been approved by Romulus Township.

The Township Board adopted the new Weed Ordinance and the Commissioner Office to enforce its provisions at their Aug. 4 meeting.

The Weed Law becomes effective 30 days after publication today (Wednesday) Aug. 13.

The Board's action was on motion of Trustee Ellis T. Pennington, who was supported by Trustee James Stewart. An earlier motion approved by the Board rescinded the current Weed Ordinance. It was found to be lacking in the adequate handling and enforcement of weed control in the Township.

TOWNSHIP SUPERVISOR Roderick E. Smith reported that the old weed ordinance was patterned after the state law which prohibited the payment to anyone serving as commissioner not more than \$4 per day and it requires the submission of reports to both the Township Board and State Department of Health.

"We advise the township attorney that we couldn't find anyone to perform this assignment at the rate of pay of \$4 per day. And the Board finds that it is to be the best interest of the Township that a new Weed Law be immediately adopted," Smith said.

The new statute will permit the Board to appoint a commissioner, who will work during the so-called weed season at a compensation on an hourly rate and mileage if his car is used. It was suggested that \$2.50 an hour plus mileage be the rate of compensation, said Smith. The Board is yet to act on this.

THE APPROVED ordinance sets forth procedures on the elimination of weeds in the township.

Owners or occupants of land on which noxious weeds are found growing will be notified by certified mail, return receipt requested, to remove said weeds and upon failure to do so, the Commissioner is empowered to enter said land, remove the weeds and to impose and enforce a lien against the land for the payment for expense incurred in the removal of the noxious weeds.

Any owner who shall refuse to remove noxious weeds shall be subject to a fine of not more than \$100 and such fines shall be when collected be paid to the general fund of the Township, Smith said.

Applicants Sought for Industrial Coordinator

ROMULUS--Applications for the appointment of Industrial Coordinator for Romulus Township are still being accepted, Supervisor Roderick E. Smith announced Monday.

The position of Industrial Coordinator became vacant upon the resignation of Jacob Golaney, 31, of Detroit, who left to accept a position of Urban Planner in Philadelphia, Pa., in April, 1969, after serving Romulus since February, 1969.

Several applicants have already been interviewed. The salary for the successful candidate is to be based on experience, education and ability, Smith.

The Township Board has authorized the employment of a "much needed" Industrial Coordinator.

The Building Authority and all required documents to get the building program underway were authorized

The contract called for a 40-year lease between Romulus Township and the Romulus Building Authority, builders of the Municipal Complex.

The state agency has had the application since March, 1969.

A CONTRACT for the yearly rental of the proposed Municipal Office and Library, the initial phases of the complex, were approved by the Building Authority last March and a request for permission to sell the \$1.98 million bond issue was filed with the State Municipal Finance Commission.

Alfred J. Perry, township clerk, reported that the Township Board had agreed to arrangements whereby the township would lease the buildings from the Building Authority, a corporation of local officials formed to construct the structures.

The complex will be built on a 16-acre site and eventually consist of a four building civic center that is to include a police station and community center.

ALSO PLANNED for the site is a town square and a recreation and sports arena.

The Municipal Office would provide space for the

Homeowners to Hold Get-Acquainted Picnic

ROMULUS--The Romulus Homeowners Association will hold their first "Homeowners' Happening" of the year, Sunday, August 17, at Lower Huron Metro Park.

Because of the many new families who have recently moved into Romulus, the Homeowners Association decided that the first "Homeowners' Happening" be a "concentrated membership drive" and "Get-Acquainted Picnic" combined.

Plans for the picnic include clowns, sports, prizes, babysitters, games and refreshments.

The schedule of events for the picnic is as follows: Start registrations at 10 a.m.; at 12:30 p.m. children's games; and adult games at 1:30 P.M.

At approximately, 3 p.m., the hot dogs and corn will be served. Other refreshments will be available throughout the day.

One unique and pleasant aspect of the day will be that the Senior Girls Scouts will supervise and babysit during the children's and the adult's games so that all can take part in the activities.

The program will also include Music and Dancing for the teenagers.

Ticket donations are \$2 per family. Tickets are available from the officers of the Homeowners Association.

For ticket information or other information on the Picnic, please contact Chuck Detloff-program chairman at 941-2097.

Municipal Complex Bond Sale Plea Gets Legal OK

Now Up To State Finance Officials

Seek Approval on Sale of \$1.98 Million Bond Issue

By HENRY CANTIN

and approved in an Ordinance and Resolution adopted by the Township Board on Feb. 18, 1969.

ROMULUS--An application for the sale of \$1.98 million in bonds to finance construction of Romulus Municipal Complex has received the legal approval of Michigan Attorney General Frank J. Kelley.

The application's final approval now rests with Michigan Municipal Finance Commission before Romulus can initiate its planned Municipal Building and Civic Center.

The state agency has had the application since March, 1969.

A CONTRACT for the yearly rental of the proposed Municipal Office and Library, the initial phases of the complex, were approved by the Building Authority last March and a request for permission to sell the \$1.98 million bond issue was filed with the State Municipal Finance Commission.

WAITING FOR OPENING DAY--The County 4-H Fair opened Tuesday in Belleville. And during the hectic preparations of most exhibits and officials last week our photographer Ron Zielinski caught one of the Fair's entries too concerned with the feedbag to be bothered.

An Open Letter

Mr. Roderick Smith, Supervisor
Romulus Township Board
36572 Goddard Road
Romulus, Michigan 48174

Dear Mr. Smith:

We the citizens of Romulus Township are greatly concerned with the sewers and ditches in the township. Throughout the township there are ditches that are overflowing and plugged with debris. This constitutes a great danger to our children and a health hazard to all of the residents of the township.

We request that these ditches be cleaned and put into proper order as soon as possible.

Respectfully yours,

Booker Edwards, Chairman
Romulus Neighborhood Advisory Council

MEA OFFICIAL REPORTS

Teacher Contract Pacts Unsettled in 15 Districts

Fifteen Wayne County districts have not yet reached contract agreement with teachers.

Richard W. Croll, Metro Area Director of the Michigan Education Association, said, "I am very much concerned about the large number of unsettled teacher contracts this late in the summer."

"With the opening of school scheduled just a few short weeks away, too many Wayne County school districts are still apparently, a long way from satisfactory agreement of contract terms for teachers affiliated with the Michigan Education Association," Croll said.

HE SAID four school districts in particular have met "very serious" obstacles in bargaining sessions for contract agreement for the 1969-70 school year.

"Garden City, Livonia, Wayne, and Westwood should be classified today as districts facing many difficulties in resolving successful contractual agreements," he said.

Other MEA school districts with bargaining still not finalized include: Allen Park, Crestwood, Dearborn No. 7, Fairlane, Grosse Pointe, Huron, Lincoln Park, Plymouth, Redford Union, Romulus, South Redford, and Woodhaven.

Croll said Garden City Education Association negotiators are having a great deal of difficulty understanding why the board will not settle a teachers' contract when the district has adequate financial resources. Major unresolved issues in Garden City, he said, are class size and salaries.

TEACHER CONTRACT

talks in Livonia recessed for the summer and began again on Aug. 4.

"The matter of class size is a very important consideration to Livonia teachers," Croll said, "who want this agreement of class size restored to that of one year ago."

The Wayne Education Association has requested the services of a state-assigned mediator when contract talks bogged down.

"This is the only school district in Wayne County where teachers have had to file unfair labor practice charges against the school district," Croll said. "The board's negotiators have been consistently stalling, making no new contract proposals, and jeopardizing the resolution of problems faced in bargaining sessions."

HE SAID a key issue in

the Wayne district is the matter of agency shop. In last year's contract, the Wayne Board of Education agreed to negotiate this important matter into the 1969-70 contract and now seek to avoid that agreement, Croll said.

A mediation session has been scheduled for Aug. 14 in the Westwood School District, with the Michigan Labor Relations Board

assigning Edward Phillips as the mediator.

"This next, necessary step could have been scheduled earlier," Croll pointed out, "but Charles Keller, the school board negotiator, went on vacation."

"Westwood teachers are now very seriously evaluating their position. They are anxious to make every effort to reach contract agreement before the opening of school."

CROLL CITED the current status of other, unresolved Wayne County teacher contract talks:

In Allen Park, where bargaining recessed for the summer, teacher and board negotiators return to their talks today.

Mediation was held in Crestwood last Wednesday, with state-assigned mediator Robert Rombouts.

Intensive bargaining has resumed in the Dearborn No. 7 school district after a summer recess but no apparent progress is evident. "Some progress" is reported in teacher contract negotiations in the Fairlane school district where FEA negotiators are discussing salary, insurance provisions and extra-curricular assignments for the 1969-70 year of a 3-year contract.

THE GROSSE POINTE Board of Education requested the services of a state mediator when talks reached the impasse stage earlier this month. Edward Phillips conducted a mediation session in mid-July and another is expected this month after school board negotiators return from vacation.

Mediation was conducted July 22 in the Huron School District negotiations but no progress was made with Robert Johnson, MLRB-assigned mediator. Another similar session is expected later this month.

In Lincoln Park, bargaining resumes Aug. 18 after being recessed since June 17; bargaining talks in the Plymouth schools were recessed while both teachers and school administrators turned their attention to a vital school operating millage election, being held in the school district.

"No progress" is reported in teacher contract negotiations in Romulus, although bargaining talks are underway; South Redford negotiations resume Aug. 13

on salary and other economic re-opener clauses in a 2-year contract; and in Woodhaven, negotiations are recessed pending the call of Leonard Bennett, state mediator, who reported the two sides were "extremely close" to agreement after a mediation session on July 15.

TALUS Schedules Series of Hearings

DETROIT—A series of meetings and hearings of the TALUS Preliminary Plan for 1990 will be held between September and November, Irving J. Rubin, TALUS director, announced.

Purpose will be to obtain public response and suggestions for modifications before final plan recommendations are made at year's end to the TALUS Administrative Committee and the Southeast Michigan Council of Governments, Rubin said.

Two types of meetings will be held during the three month period.

One type will be informal presentations to civic, service or other organizations and to public officials such as councilmen, planning commissioners and members of boards of supervisors.

THE SECOND type of meetings will be a series of eight "Preliminary Plan Hearings", one in each of the seven counties included in the

TALUS region (Livingston, Macomb, Monroe, Oakland, St. Clair, Washtenaw and Wayne) and in the City of Detroit.

The hearing schedule will be developed with the TALUS and SEMCOG officials who will be asked to "sponsor" the meetings.

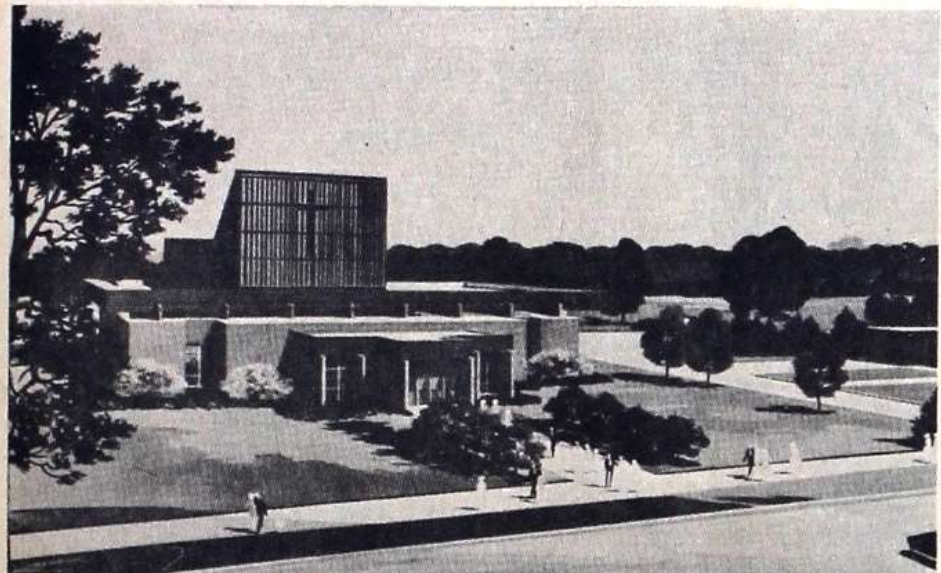

Information and suggestions obtained from the informal presentations and the "Preliminary Plan Hearings" will be considered in detailing and completing the final TALUS 1990 Plan.

STUDENTS ATTEND 11th Annual Safety Conference at EMU

YPSILANTI—The Eleventh Annual National Safety Conference will be held at Eastern Michigan University, Aug. 13-16. It will

be attended by 250 junior and senior high school students from across the nation.

Keynote speaker for the conference will be Raymond Firestone, chairman, and chief executive officer of the Firestone Tire and Rubber Company, Akron, Ohio.

His company pioneered in student safety by providing a grant to start the National Student Traffic Safety Program in 1958. Ray B. Loeschmer, Vice-President for Administrative Affairs at Eastern, will give the welcoming address.

The National Student Traffic Safety Program, parent organization of the Student Safety Conference, is designed to guide students in their efforts to improve safety and reduce accidents in the school and community.

More than 11,000 students participate in the program, with more than 8.5 million students exposed to the program activities.

During the conference, schools will receive 1968-1969 awards for exceptional safety activities. Awards are determined by each school's accomplishments toward its individual goals.

Frederick J. Peters, conference coordinator at Eastern, and Malcolm D. Whale, chairman of the Michigan Department of Education, are leaders of a Michigan Host Committee for the conference.

Two Found Murdered Identified by Police

ROMULUS—The bodies of a man and woman found last Sunday, Aug. 3, in a concrete culvert have been identified by State Police officers.

They are John Charles Jones, 31, and Miss Gwendolyn Leavells, 26, both of Detroit. Jones is a former resident of Ypsilanti, according to police.

State Police reported that Miss Leavells of 3835 Lawrence, Detroit, was identified by fingerprints taken when she applied for a civil service job and Jones, of 3055 of 3044 Glynn was identified by fingerprints taken in a narcotic violation conviction in Detroit.

The bodies of the Negro couple were found by a passer-by in a field near Kenwood Street, between Middlebelt and Merriman Roads, south of Ecorse Road.

The bodies were badly decomposed, partially clothed and lying in a foot of water.

An autopsy performed at the Wayne County Medical Examiner's office disclosed that the couple were shot about two weeks before their bodies were found.

The murder appeared to police to be an "assassin type" killing. The State Police have no suspects.

Antique Steam Boiler Bill Signed

ROMULUS—A bill introduced by State Representative Edward E. Mahalak (D) Romulus, to require annual inspection of antique steam traction boilers has been signed into law by Governor Milliken.

The new public act, which is effective on Oct. 1, 1969, sets a fee of \$10 for annual inspection if it is made by a deputy inspector.

"There has been, in recent years, an increased interest in the restoration of old antique boilers," Mahalak said. "This new law will require that these boilers meet state

standards, that they be inspected each year and that the owners have certificates of inspection. This is needed both for the safety of the owners and the operators of the boilers and for the public."

Under present law, the inspection fee could be as much as \$25, based on the boiler's square feet of heating surface. The Mahalak bill cuts this to a flat \$10 fee.

"This lower fee," Mahalak explained, "takes into account the fact that these old boilers are collector's items and as such are in a special category from other boilers."

CAP HONORS CADET—Cadet First Lieut. Bruce Bowdler, 17, of 36809 Herman received honors from officials of the Wayne-Romulus Squadron of Civil Air Patrol in ceremonies held Aug. 6 at Romulus Junior High School for his performance in the CAP Cadet Program, and for his years of training and hard work in the program.

Civil Air Patrol Honors Cadet

ROMULUS—The Wayne-Romulus Cadet Squadron of the Civil Air Patrol recently paid honor to fifteen of its most outstanding Cadets. Among those honored was Cadet First Lieutenant Bruce Bowdler, 17, of 36809 Herman.

In ceremonies before the assembled unit, C/ILT Bowdler was presented the bronze clasp to his Civil Air Patrol Summer Encampment ribbon, signifying that Cadet Bowdler has successfully completed two state-wide summer encampments and served on the Cadet Staff at one of them.

CAP Summer encampments are held at Selfridge Air Force Base north of Detroit for CAP Cadets in Michigan, and consist of one week of concentrated training designed to supplement the education received in the regular CAP Cadet program.

CADET BOWDLER also received the Amelia Earhart Award ribbon and certificate, one of the highest and most

coveted awards which a Civil Air Patrol Cadet can earn. It reflects years of training and hard work.

C/ILT Bowdler is currently serving in the Wayne-Romulus Squadron as the Cadet Deputy Commander and has been a member of Civil Air Patrol for more than three years. During this time he has risen to Cadet Commissioned Officer rank, been decorated eight times, and now holds the second highest command position within the entire cadet corps.

The Cadet program which produces young men of this calibre includes the private pilots' ground school training, military subjects such as drill, leadership, ceremonies, customs and courtesies, plus emergency services such as first aid, civil defense, search and rescue, radio communications, and land navigation.

THE PROGRAM is open to any boy or girl 13 years or older. Teen-agers, and adults too, interested in learning more about what Civil Air Patrol has to offer as an exciting, fun-filled program for today's teen-agers are invited to attend a meeting of the Wayne-Romulus Cadet Squadron.

The unit meets every Wednesday evening at Romulus Junior High School, 11401 Olive Street in Romulus.

When Urban Renewal Acquires Your Property

By GEORGE WILHELM
UR Director

ROMULUS—Since it is hoped that the Romulus Township Urban Renewal Program will get into full swing sometime this Fall, we thought it might be good to review the procedure by which Romulus Township will buy property as part of its Urban Renewal Program.

First of all it is important to understand that since the Federal Government is furnishing approximately three quarters of the total cost of the program the township, is required to follow the procedure set up by Congress, the state of Michigan and the Department of Housing and Urban Development, in the various Federal and State laws.

The law provides that a community, such as Romulus Township, must pay a fair and equitable price for all property purchased within an urban renewal area. This price is determined by having two independent appraisals made on each parcel.

THESE APPRAISALS are then reviewed by the governing body of the municipality, in this case Romulus Township. They are again reviewed by the Property Acquisition Section of the Department of Housing and Urban Development and, if they find the appraisals in order, the Federal Government will set the maximum price which may be offered to the property owner by the Township.

It is important to note here that each of the appraisers are required to justify their prices by using

Army Promotes

ROMULUS—Melvin Allen Jr., 21, whose parents live at 35755 Beverly Road, was promoted July 17 to Army specialist five in Germany, where he is serving with the 3rd Armored Division.

A tank gunner in Company B, 2nd Battalion of the division's 32nd Armor near Kirch Gons, Spec. 5 Allen entered the Army in August, 1967 and was stationed at Ft. Knox, Ky., before arriving in Germany in January, 1968.

what is called comparable land sales.

In other words what is property of like character being sold for in the surrounding community. You have to realize here that even appraisers are human and sometimes make mistakes. So that if a particular property owner feels the price is not proper, he may ask for a review. If an increase can be justified, the Regional Office of HUD, will usually allow an adjustment.

IF THE township and the property owner can still not come to an agreement, the case is taken to Circuit Court for arbitration. This is called condemnation, although it does not mean an actual condemning, but rather we are asking the court to arbitrate for us. When a court case is taken to court, it is heard not by the judge but by a jury of property owners living within Wayne County. It then becomes the responsibility of both parties, the Township and the property owners, to present their individual cases to the jury.

It is then up to the jury to decide the proper

compensation to be paid to the property owner. The Federal Government will not allow the Township to pay the property owner more than the approved appraised value, unless the court so directs.

Some municipalities have paid more than the approved appraised value, but, the extra payment could not come out of Federal funds, it must be born by the municipality itself.

I believe you can see the reason for this practice. It is important, when Federal tax monies are being expended, to be absolutely certain that all those persons involved are treated fairly and equally. The Federal law is set up in such a way as to discourage land speculation by any group or individual which might endanger the total community program.

I WOULD have to agree with the many people who say that there has been certain inequities in the past and that some people have been hurt. Unfortunately Urban Renewal has been blamed for inequities which have arisen out of other Federal Programs, such as the

Highway Program, etc.

Other individuals, who had hoped to profit at the expense of the program, have claimed fraud even though the price they received in the end was fair.

I would like to emphasize here again that it is not the Federal Government who will be buying the property in the area. It is Romulus Township, using Federal funds, that is buying the property and it is Romulus Township and the citizens of Romulus which will benefit by seeing that this program is carried on and completed.

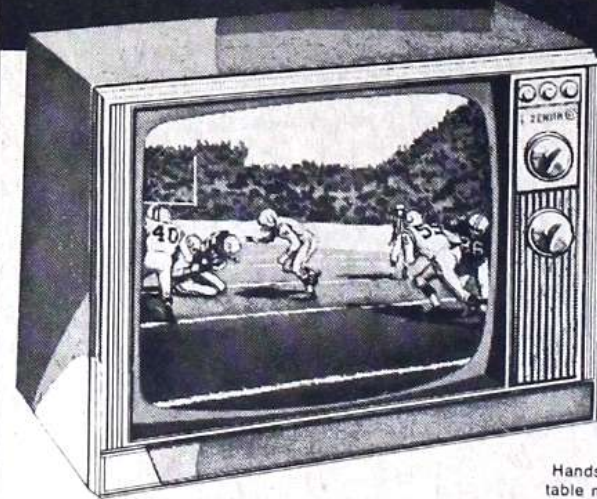

I have only attempted in this article to outline the Property Acquisition Program, the procedures as set down by law, and some of the problems which we can anticipate in the execution of the Acquisition Program.

In future articles I will outline some of the other phases of the program such as the Relocation Assistance and some of its programs which can assist individuals in the community.

I will also discuss how the land is sold, to whom, and what are the procedures by which an individual or a group can actually purchase the Urban Renewal land.

Meeting of Minds Needed in Inkster

There is no doubt that the problems and triumphs of the City of Inkster and its school districts are inextricably linked.

If the Cherry Hill, Inkster, and Westwood school districts — and Taylor and Wayne, as well — are good ones, then people will be happy to move to the City of Inkster and proud to live there. If a city's school districts are not up to snuff, however, people won't want to live in Inkster and, if they move there, won't stay long.

Likewise, school officials are concerned about police and fire protection, clean streets, library facilities and recreation programs that the city has to offer. It's absurd to pretend, as we do according to the setup in this state, that cities and school districts should be unconcerned with each other.

It is our opinion, then, that nothing would benefit the city more than a meeting of the minds between school board trustees and councilmen, between city administrators and school administrators.

Meetings among Dearborn Heights, Inkster and Westwood officials took place last spring when problems flared among students at Robichaud. Another meeting last

year included the three superintendents and the city manager. Earlier this year, Inkster Public School officials met with councilmen and city officials to talk about problems in that district.

But instead of meeting only when there is a crisis, we feel that some type of regular meeting — if only once a month between Dr. Thomas Powers, Dr. Edward Fort, Dr. Robert Anderson and Ralph DeSantis — would be a great boon.

Recreation and student discipline are just two of the topics that are of concern to all. In addition, the men could gain an understanding of each other's problems and would be able to take a broader view of their own.

We also suggest a yearly meeting of school board trustees and councilmen so that these men and women would have, at least, a nodding acquaintance with each other.

At the very least, these people would be able to meet one another. But at the best, these meetings could serve as a springboard to more creative solutions for the problems of Inkster and her school districts.

Study in Order On Police Relations

We think the City of Westland would do well to proceed with a sound and community-wide study of police-community relations.

The entire issue is too clouded with fear and distrust to be approached with a heavy hand. It will do no good to create a Citizen Review Board for the Police Department in Westland without probing and explaining the problems and needs to the citizens themselves.

We think those who speak in absolutes about this problem are wrong. Those who automatically rule out a citizen review board have closed their minds to the unique community situation in Westland. It is a slap in the face to the City's black citizens.

At the same time, a charge of "white racism" and demands for action ahead of intelligent discussion will contribute little to the community, and will only add ill feeling among policemen where cooperation is desired, and trust is sought.

We think Westland must come to grips with a problem of police-community relations that is common to many communities across the nation. It could be settled through the direct action of elected officials responsible to the people, but this would only drag the matter into the political arena, where it can only deepen existing hates and animosities.

We think the City of Westland should begin soon to form a panel of citizens representing all segments of the Westland community, and that only Westland residents should be a part of this body. Men

and women of every political and social belief should be called upon to exercise intelligence and reason to approach problems of police-community relations that are based on pre-judgments and little thought.

The panel cannot be made up of only liberals, or only conservatives, or only middle-of-the-roads. The body must be made up of persons who can soundly represent the ideas and feelings of all segments of the community, and create a dialogue that may be explosive but fruitful.

If men of different beliefs cannot communicate with one another, there is little cause for hope. But we all know that we cannot afford to simply stop trying.

We hope a blue ribbon study group is formed soon to hash out and analyze Westland's need for peace within its community. If we can understand each others needs, we can forget each others fears.

Reflections

No Tears from Mama

By Joyce Hagelthorn

When the summer days start getting shorter, and school is just around the corner, I begin feeling harassed. I begin feeling harassed because every year I declare that this is the year I am going to be organized. And when I try to be organized, I get harassed.

The evening before the first day of school I go out and grab all the kids I can find and throw them into the bathtub. I figure that when they get the dirt washed away, some of them are bound to belong to me.

One year I got one out of the tub that looked about like one of mine had looked when he went into hiding at the beginning of vacation time, and I had his pajamas all buttoned up before I realized he wasn't.

Not one of my kids would have stood there so silently.

Last year I tried to send one little stranger home and he refused to go. Finally in desperation I asked him why he wanted to live in chaos when he could find a nice, quiet home somewhere.

His eyes filled up, and his lip quivered as he said, "Mother... don't you recognize me?" Would you believe that that kid actually was one of mine... with his hair gone dark, and a couple of feet added to him. The ears are what told me he was telling the true. I am the only mother in town who has kids that can tuck their ears inside their head.

Each year just before school I tell the kids that this year things are going to be different around our house. This year we will have our clothes all ready to jump into at 7:30 a.m.... and this year everyone will shower BEFORE going to bed, and this year everyone will come down to breakfast and eat a proper, well-balanced breakfast.

The kids always agree... I'll say that about them. And the very first day of school usually goes beautifully. Actually, it takes almost a week, if I'm real lucky, before we settle back to our usual chaotic routine, and I suppose when all of my children are grown and gone I will sit around with tears standing on my cheeks as I remember,

"Mother.... I put my socks in my shoes, and David put them on."

"Mother... Freddy put his gum on my clean shirt."

"Mother... make Allan quit using my toothbrush."

"This is my toothbrush, stupid."

"It's the same toothbrush I was using when school let out."

"Well, I've been using it all summer, stupid, so now it's mine."

"Mother... Freddy spilled milk all over my skirt."

"Get your skirt off the table."

"Mother... Allan threw my shoes down the clothes chute."

"Then give me back my comb, dummy."

Ah yes... I'll remember... but I don't think I'll cry about it.

Please Pass the Space Suit

By Jim Fitzgerald

Now that we've reached the moon, it is fashionable to insist it is time to cut the space program and apply the same dollars and ingenuity to solving the earth's many problems.

Where to dispose of disposable bottles, for instance, or how to put on loafers at the golf course when your shoe horn is back home.

Important stuff like that.

Of course, not everyone wants to switch the Apollo commitment to earthly problems. There are those who claim the farther we soar into space, the greater things are going to be on earth. The idea, somehow, is that Man will learn up there what he couldn't get through his meathead down here. Marvelous. I knew that someday someone would shoot down that old bromide which warns that you can't solve your problems by running away from them. You just have to know how far to run. Please pass my space suit.

But seriously, folks, other than that I thought Vaughn Monroe should have been there, I

wouldn't knock the moon walk. It was a fantastic, incredible achievement which left me completely awed—by the genius of the men who dream up the hardware and by the bravery and fortitude of the men who ride it. I cannot comprehend how it's done. Also, I cannot comprehend how much money is the \$24 billion it cost. But I suspect if you broke it into \$1 bills and piled one atop the other, the top dollar would be looking down on the Sea of Tranquility.

It doesn't surprise me that Man would soil the moon before cleaning up the earth. The critics say the \$24 billion should have been spent seeking ends to war, hunger, racism, urban violence, pollution and so on. But it's not that simple, Charlie. If the \$24 billion hadn't been shot to the moon, there would still be Vietnam and starving kids and bigots and snarling slums and stinking lakes.

It is—the nature of Man to follow the yellow brick road to wherever it leads. He wants to discover new rest stops. He doesn't much care about the litter he drops along the way, or about

the people who can't climb out of the gutter to join him on the freeway to the cover of Time magazine. The important thing to Man is to get over the rainbow—first—and see what's in the pot.

That's the nature of Man and that's why, some day soon, there'll be a Holiday Inn on Mars. And things on earth will still be in a lousy mess.

Until the nature of Man changes, it will do little good to say forget space and spend the money and manpower eliminating earth's miseries. Hell, if the \$24 billion hadn't been blown into space, the government probably would have divided it evenly between the cancer fighters and tobacco growers.

I wish I could join the dreamers who believe a walk on the moon will somehow prompt Man into caring more about his brothers who have trouble walking on earth. But there's no way.

So Onward and Upward into space, Man. The moon colonists should be ready to fight for their independence from the United States by the time Caroline Kennedy is President.

A New Thought On Peace

By Dick McKnight

The American dilemma is about to become a new American tragedy.

It is becoming more apparent every day that those who would reform American society, and those who preserve it as it is, have dug an uncrossable trench between themselves with little hope or desire of overcoming the gap.

We are engaged in a game of words, everyone spouting labels and slogans. It is, we admit, easier to talk with slogans than to use reason.

The word "Peace," for instance.

"Peace" was the first word ever spoken on earth in heralding the birth of Christ. The angels did not sing "War on our enemies and goodwill toward men," they sang "Peace on earth."

So the example was set, but since that day the banner of religion has been carried, and the name of God invoked in the pursuit of war. Often it was unavoidable, there have been wars of defense and liberation fought that men could not avoid.

But the word "peace" has been twisted as surely as the swastika is a twisted cross. We use "peacenik" to describe someone who is considered eccentric in his drive to obtain peace in this world. We use "peace with honor" to justify the continuance of war. The word peace is carried on signs as an ideal that can be gained without effort—a fallacy. And the word peace on the same signs is maligned as a "sell-out" or "lack of patriotism."

Peace does not mean one single thing to all of us. Clergymen may use it liberally from the pulpit, but may rail against radicals who use the same word. Radicals may claim exclusive right to use peace as the purest and highest form of human development, but condemn others as "war-mongers" and "fascists" whose goals are the same, but whose tactics are different.

Still there are those who see peace as a weakness, rather than a human strength. Mussolini used war and violence as the purest form of virility and masculinity. He equated manhood and strength with war. While he was insane, still our society bears some of this feeling, today. Our young boys play with guns, shoot and playfully kill their companions, and we admire this and hold it out as a masculine pastime.

There are those of us who yearn for inner peace, who are troubled and worried. Certainly, an inner peace is what America needs most. And inner peace would bring outward peace to man. But as long as there is suffering, injustice, hunger and human indignity in the world, inner peace escapes us.

There is perhaps an appropriate definition of the word "Peace" that everyone can accept, — young, old, black, white rich, poor, sophisticated and uncomplicated.

Peace can be the supreme example and goal for which all of us live. Certainly, as we have already said, the example of peace was set when the angels sang on Christmas Day. But peace is not something that is detached from each of us, not something that can really be bargained for over a table in Paris or won on the field of battle. The kind of peace obtained on those ways we have found to be hollow and temporary.

Peace is, to put it in the simplest of terms, what results when we treat each man as a human being, approach each problem unselfishly, and make a sincere effort to adapt ourselves to a world of free expression. It is practicing the golden rule.

There are many who would dismiss this definition as an impractical idea that won't work in a real world. But we must not forget that the real world is one of our own making, and one that can be the result of our own changing.

When clergymen, of whatever faith, say from the pulpit that each man must bring peace to others through his own love and charity, he is not far from wrong. In the same way, when the protesting student calls upon a strayed society to begin living the true meaning of charity and love, he has hit the proper point.

Perhaps the thing we must do, at all costs, is to begin letting the things that unite us bring us together, rather than letting the things that separate us keep us apart.

Space Age Lunch In Livonia Schools

The Livonia School District's decision to switch to a central kitchen for an all-District hot lunch program is just one more indication that School Districts are most aware of the benefits of modern technology.

While the thought of preparing food for the near 40,000 students within the District in one central kitchen may boggle the minds of many a homemaker who can barely face cooking for a family of four, it shows just what new equipment and organization can do.

The idea of a central kitchen is not new; it is used in industry and in hotels, as a means of preparing good hot meals, yet keeping costs down to a minimum.

A COMFORTING SHOULDER—Winning the Lincoln-Mercury co-sponsored U.S. Teen Driving Championship was quite an emotional experience for Deborah Jean Jones, 17, of Deland, Florida. She cried on Astronaut Col. James A. McDivitt's shoulder as he presented her with the first place trophy. Debbie, a high school senior, also won a \$3,000 college scholarship and the year-long use of a 1970 Mercury Montego. She will travel throughout the country as a Lincoln-Mercury Youth Safety Spokesman.

OFF VIETNAM COAST

Navy Destroyers Adding New Episodes to Saga

Today off the coast of Vietnam, a fleet of small, scrappy ships—U.S. Navy destroyers—is adding new episodes to the saga it began in World War I.

Radar picket destroyers maintain a coastal blockade along South Vietnam's coast to intercept Communist supplies bound for the country by sea.

During 1968, our ships searched an estimated half million watercraft and seized those which were bootlegging supplies to the enemy.

At the same time other destroyers provide gunfire support for allied troops ashore. Making high-speed runs, these shallow-draft ships dart in and out along the coast, firing on targets up to 13 miles inland.

LAST YEAR the Navy unleashed more than a million rounds at some 15,000 targets in both North and South Vietnam, much of the firepower coming from the armada of destroyers.

Before the November, 1968 bombing halt, destroyers on "Operation Sea Dragon" completely stopped Communist barge traffic trying to move south in the shadow of North Vietnam's rugged coast.

They also trained their guns on North Vietnamese artillery sites, railheads and war industries until the bombing halted.

Unlike their WWI counterparts, many of today's destroyers have a missile and rocket firing capability to increase their fire power. These

sophisticated weapons stand ready as a deterrent against enemy submarine or air attack on our sea-going forces.

Con Racket

Door-to-door swindling may not be something new, but there always seems to be a fresh angle to add interest to the con-man's game.

The latest is an approach whereby the thief will pose as a representative of the local electric power company in order to "inspect the wiring" or "adjust the electric meter" in a person's home. Invariably, the crook finds something that needs repairs, and demands payment for the repairs on the spot. The amount is usually small, \$15 to \$20, and the thief accepts it gratefully and leaves, never to be seen again.

The particularly vicious aspect of this latest con racket is that its practitioners prey almost exclusively on elderly persons and the poor. The thieves apparently count on these people to offer less resistance.

Officials of electric power companies across the country warn never to allow anyone who is unfamiliar in your home without first being convinced of his identity through company identification and his electric company vehicle. These officials emphasize that no electric company representative will ask for cash payments on the spot. Anyone who does is likely to be a fraud.

You can always verify the identity of an electric company representative by phoning the company immediately.

BPW Meeting Held After Co-op Dinner

Eighteen BPW members and two guests enjoyed a potluck dinner and meeting at the Bedell Street home of President Helen White, on Monday evening, August 4.

During the evening, and initiated at the Business Session, a portable podium was presented to the Club from Cora Horton, long time member and former club president. The gift was purchased at the National Convention in St. Louis, Missouri recently. Betty Savage, Cora Horton and Helen White ably reported on the highlights of the convention.

The Belleville Sidewalk Sale Committee from the Club reported a successful project and the Club was glad to participate in the Community activity on Saturday, August 2.

A Board of Directors meeting, consisting of all officers and committee chairmen, is scheduled to meet at the home of Betty Savage on Thursday, Aug. 28 at 7:30 P.M.

Belleville and Taylor BPW Clubs have been selected to host the District XV Fall Meeting and plans are being formulated.

Members in attendance worked on a project of filling "Ditty Bags" for Vietnam-1969 under the auspices of the American Red Cross. This project is to be completed at the September meeting and members who have not received a ditty bag may contact Mrs. Margaret Saunders, 375 N. Liberty, phone 697-6741.

The next regular meeting of the BPW Club will be held Monday, Sept. 8. The Membership Committee is in charge and the Michigan State President, Mrs. Constance Geisler, is scheduled to be the guest speaker.

MRS. LARRY T. STORY

Rev. Story Officiates At Son's Wedding

The Rev. Jack Story, pastor of the Prayer Baptist Church, in Westland, officiated at the summer ceremony which united his son, Larry Thomas Story, and Kathy Jeanette Reynolds in marriage.

For the afternoon double ring ceremony, the church was adorned with arrangements of pink and white chrysanthemums. Some 200 friends and relatives attended the wedding.

THE BRIDE, granddaughter of Mr. and Mrs. A. H. Vinson, of Sheldon road, Belleville, appeared in a five-tiered lace gown styled with a Sabrina neckline and wristpoint sleeves.

Her illusion veil drifted to mid-back length from a small lace pillbox and she carried white carnations and orchids. A string of pearls, a gift from her bridegroom, was Kathy's only jewelry.

Honor attendant Martha Gray donned a gown of shocking pink accented with tiny white daisy appliques. A matching Dior bow headpiece and bouquet of giant mums completed her ensemble.

Wearing identical gowns in a lighter shade of pink were the three bridesmaids, Teresa Bloomer, Linda Johnson, and Jackie Story, sister of the bridegroom.

Debbie Lynn Vinson and William Alex Vinson, children of Mr. and Mrs. F. H. Vinson, of Westland, served as the flowergirl and ringbearer, respectively.

Nearly 200,000 needy older Americans have received employment assistance or job training under various U.S. Department of Labor manpower programs during the past 6 years.

Harold Sizemore was asked to be best man and ushers were John Barber, Dana Lane, Lacey O. Quinn, Floyd Vinson, and David Floyd.

Plymouth Antique Mart

Plymouth Antique Mart, the seventh annual antique show held in conjunction with Plymouth Fall Festival, will be held September 5, 6, and 7, from 12 noon to 10 p.m., Sunday till 7 p.m.

Twenty-one of Michigan's top dealers will offer their wares at the Community Building and Grange Hall, Union Street, Plymouth. As in past years all proceeds from the Mart are for the benefit of the Plymouth Symphony Orchestra through the Plymouth Symphony League. (The League is a group of women dedicated to advancing the work of the orchestra and committed to its financial support.)

The Antique Mart is an integral part of the Plymouth Fall Festival, an annual community celebration of the harvest season. This year's theme is Gaslight Days. Homemade items are for sale, old fashioned costumes abound and store windows are decorated with things of days long past. Each day a different meal is served and entertainment is presented in the park in the center of town.

Thursday evening is German night with knackwurst and sauerkraut; Friday's menu is spaghetti and meat balls; Saturday's luncheon will be pancakes and sausage and dinner is barbecue beef ribs. Sunday is the highlight of the festival with an old-fashioned chicken dinner with corn on the cob served from noon on. An old car exhibit is featured on Sunday as well.

In addition to the dinners served as part of the Festival the Plymouth Grange serves lunches, sandwiches, pie (homemade), cookies, soft drinks and coffee in both buildings where the Antique Mart is held. Over 3,000 people attended the show last year and 50,000 attended the Festival.

Civic pride and effort make the Plymouth Fall Festival an outstanding event of Michigan's Autumn Calendar.

Michele Lee Arrives In Germany

MISS LYSON

October 10 Is Their Altar Date

Mr. and Mrs. Frank C. Lyson, of 20450 Sumpter road, Belleville, are announcing the engagement of their daughter, Jane H., to Ronald S. Vesche, of Westland.

Miss Lyson, a 1965 graduate of Belleville High School, is employed at Kelsey Products Division, Kelsey-Hayes Company.

The prospective bridegroom, son of Mr. and Mrs. Nick J. Vesche, of 522 Hubbard street, Westland, graduated from Wayne Memorial High School in 1965, and is employed as a sales representative for 3-M, Business Products Sales, Inc.

The wedding is being planned for October 10 at St. Anthony's Catholic Church.

An announcement arriving from Germany tells of the birth of a baby girl to Sp/4 and Mrs. Jack Middlebrook who are stationed with the U.S. Army at Mannheim.

The new tax deduction, Michele Lee, made her appearance July 25 at the Heidelberg Army Hospital, weighed 7 lbs.-5 ozs., and measured 20½ inches.

The new mother is the former Gayle Toth, daughter of the Stephen Toths, of Ann Arbor. The paternal grandparents are Mr. and Mrs. Gerald Stabnau, of 45900 Harris road, Belleville.

Church Dedication

IT WAS A proud day Saturday for Father Folta and the people of St. Anthony's Parish as their new church was officially opened during formal dedication services. His Eminence John Cardinal Dearden, Archbishop of Detroit, was present for the morning ceremony attended by some 800 parishioners and invited guests. Invitations had included township and city officials, area clergymen, and members of the Van Buren School Board.

Father Al Guzicki was asked to participate in the consecration of the mass and was on hand later to greet many of his former parishioners. The first pastor of St. Anthony's, he is now Pastor Emeritus of St. Albertus parish in Detroit.

The offertory was presented by the two eldest members of the parish, Joseph Babik and John Price; one religious, Sister Joan; the president of the Altar Society, Lucille Remus; and two teen-agers, Mark and Mary Kosin.

The workers in the parish did themselves proud by

Robsons Fly To Sweden

For 21-Day Vacation

Mr. and Mrs. George Robson, of Tyler Road, and the latter's sister, Mrs. Axel Knutson, of East Grand Forks, Minn., arrived home on Friday, Aug. 1, after a 21-day visit with relatives in Sweden.

Landing in Copenhagen, Denmark, they found hotel accommodations fine and the city very clean with flowers blooming everywhere.

working was different from that of the larger cities.

In Stockholm, a city built on islands, they enjoyed a boat tour which took them into the Baltic Sea where they visited many islands.

They report delightful weather with temperatures in the 70's and 80's nearly everyday.

Crossing over to Malmo, Sweden by ferry, they went by train to Ockelbo, North of Stockholm, the county seat and home town of relatives whose homes were modern and spotlessly clean, some having been in the family for generations. The area was hilly with lakes and fertile valleys. The hills were covered with pine and huge stones. Lakeside cabins were popular.

THEY WERE entertained by relatives, many unknown to them before, and all were interested in America. The Swedish custom of serving meals in courses with varieties of cheese, fish, and delicious pastry, still exists.

George found interesting their method of drying hay on racks and the use of a balking pole; also the good care given their horses and cattle. The slow tempo of

Sudsy Tip to Teens with Summer Jobs

After a long day on a summer job, soap and water can revive almost any hardworking teenager for a fun evening. Ten minutes spent stretched out in the tub or hopping under a shower refreshes you for a movie, date, or meeting your friends — and gets you set for the next day too. Use slightly warm water to dilute your blood vessels and allow heat to leave your skin. Washing with a deodorant soap, like Dial, can help control skin bacteria too. Keep up your grooming all summer long. Remember that soap and water can take you a long way toward a happy and profitable summer.

MISS HIVELEY

October Wedding Planned

An October wedding is being planned by Peggy M. Hively, of Royal Oak, and Gerald B. Zywicki, of Belleville. The bride-to-be's parents, Mr. and Mrs. Fred Hively, of 3805 Durham road, Royal Oak, are announcing the young couple's engagement and nuptial date.

Miss Hively, a 1968 graduate of Kimball High School and Virginia Farrell Beauty School, is employed at Babbie's Beauty Salon, in Royal Oak.

Her fiancé, son of Mr. and Mrs. John Zywicki, of 50705 Willow road, Belleville, graduated from Belleville High School in 1966 and spent two years at Chicago Tech College. He is currently employed at Zywicki Greenhouses and Gilman Hardware.

converting the old church into a splendid dining room for the champagne buffet which followed. Jack Burcroff and his co-workers had carpeted the old altar area in lush red for the guests of honor and also provided a 'red carpet' welcome in the foyer.

Another pillar of the church, Lucille Remus, came through with one of her fabulous meals including fried chicken and all the accompanying dishes. Round tables for 10, centered with candle-goblets provided a special touch to the huge room which was draped throughout with pastel wall coverings.

Among those spotted in the throng were Mayor Royce Smith, the Bill Hinchey (of Belvil Community Hospital), Chief of Police Irwin Stech, Orlo Roberts, former church organist Roy Wood and his wife, Betty, from Ypsilanti; the Walter Rozickis from Grosse Ile (an architect, he drew up the plans for the new edifice), and the Allen B. Rices.

Along with the Babiks and Prices and the members of their large families, there were offspring from other founding families including those from the Ostrowski, Whalen, Bles, Chudzinski, Sietz, and Gielsinski clans.

Still other descendants of the first church were the Evanski, Armatis, Januszyk, Fay, and Krakowiak families as well as the Sears', Sobockis, Sliwas, Wrights, and Kalaszs.

Remembering just a few more I spotted, there were the Greca and Koski descendants, the Van Buhler and Kozma offspring and the Ives, Habel, Sala, Dunayczan, and Gasieski clans. (If forgot any other "old timers" children, please believe I tried to include you all. But this old teletype brain can absorb just so much.)

All in all, it was a happy and proud day for those who helped to make up the first little mission church as well as those who now make St. Anthony's the huge parish it is.

Kiwanians See Tiger Victory

MEMBERS OF the Belleville Kiwanis Club, some 50, in all, were among those adding their voices to the cheering crowd at Tiger Stadium last Tuesday as the Bengals tipped the Minnesota Twins in a 13-inning contest.

The Twins might have felt the pain of their loss but there was a Tiger fan who felt the pain of his team's victory even more as he got clobbered somewhere around the second inning. It was a relaxed Gary Gray who felt the pangs of Gates Brown's foul ball as it smacked into his chest very unexpectedly. And adding insult to injury, he didn't even get the ball that sent him off to the first aid corner—some kid from about six seats up dashed down and grabbed himself a souvenir. I might add—with no pain!

Home Again, Home Again

THE HILLS—Art, Joy, Diane, and Laurie—are back in town after an absence of two weeks. Pointing their T-Bird towards the East Coast, they spent about 10 days with friends at Centerville on Cape Cod, taking in the many points of interest in the area.

Enroute home they toured famous old Starbridge Village, the Plymouth Plantation, saw the sites at Plymouth including a walk through the Mayflower, and stopped to do the tourist bit at Niagara Falls.

Visitors From England

Jack and Helene Elkington, of Denton Road, will have as house guests Helene's brother, Tom; sister-in-law, Chris; and nephew, George of Hirtfordshire, England for a three-week visit.

This is their first trip abroad and they have already visited a brother in Toronto, Ontario; two sisters and a brother in London, and their families, a brother in Carsonville, Mich., and a sister in Detroit.

Between family get-togethers they have done some very interesting sightseeing. This is a great reunion as most of the family have not seen their brother in 63 years.

They are planning a final get-together on Sunday, Aug. 24. The Elkingtons would love to give them a ride around Belleville Lake on a pontoon boat, if someone would be kind enough to offer them that opportunity. They would welcome an offer and gladly reimburse the driver for the favor.

Houseguests In Area

SUSIE BERGMAN, of Fort Recovery, Ohio, was the recent houseguest of Cathy Lorenz, of 21820 Haggerty road. The two girls, both seniors, met six years ago in Quebec City, Quebec while vacationing with their families. Sue enjoyed seeing the local sights and meeting lots of new

Grandma Wasn't Stupid

Grandma may have looked silly, but she wasn't stupid.

On hot summer days, she wore a sunbonnet or wide-brimmed hat, a veil, and long sleeves. Grandfather donned a straw hat, a bandanna around his neck, and a long-sleeved work shirt.

But today's sun-bronzed gods and goddesses eagerly seek the tanning rays of the sun without stopping to consider that by middle age they may be wrinkled as a prune or covered with blemishes.

Dr. William Taylor, professor of dermatology at

The University of Michigan, says sunlight causes a host of troubles. Strong sunlight exposure may cause severe sunburn, hives, itchy bumps, premalignant horny excrescences, pigmented spots, white thickened spots on the lips, wrinkled degeneration of the skin, and cancer of the lip. Sunlight provokes lupus erythematosus, porphyria cutanea tarda, Darier's disease, pellagra and other diseases.

Without going into details, it can be said that all those medical names stand for unpleasant or dangerous afflictions.

"Sunlight is generally beneficial for some skin diseases such as psoriasis, acne, seborrheic dermatitis, para-psoriasis, eczthysis, and pityriasis rosea," said Dr. Taylor. "However, 10 percent of psoriasis are made worse by sunlight and tropical acne is the worst kind of acne."

Certain drugs are notorious for provoking light-sensitive eruptions, according to Dr. Taylor. The wonder drug Chlorothalazine, which many thick-legged women in the United States take in the belief that it will thin their legs, frequently causes an eruption of the area exposed to sunlight. Pregnant

MR. AND MRS. STEVEN ROMANI

Former Bellevillite Weds In Florida

A morning ceremony in the First Methodist Church of Homestead, Florida on Tuesday, July 29, united in marriage Linda Burger, formerly of Belleville, and Steven Romani, U.S.N. Sonar Technician First Class, formerly of Framingham, Massachusetts. The wedding was solemnized by the Rev. Harris De Wise.

For her marriage, the bride chose a two-piece ivory knit dress accented with lace and pearl buttons. Her corsage was comprised of white carnations and yellow daisies. Attending the bride was her younger sister, Bonnie Burger.

The wedding was attended by the bride's parents, Mr. and Mrs. Byron Burger, of 55 E. Spencer street, Belleville, and her young brother, Mark. Also present were the bride's great-grandmother, Mrs. Max Burger, and her uncle and aunt, Mr. and Mrs. Gordon Carnochan, all of Homestead, Florida. Linda, a 1965 Belleville High School graduate, has

been employed the past year at the Florida Keys Junior College at Key West. Steve, who is now finishing Fleet Sonar School, began his naval career in 1961. Upon completion of his studies this month, the newlyweds plan a honeymoon driving to his new assignment as naval instructor in San Diego, California. Enroute they plan to stop in Belleville for a visit with the bride's parents.

Terry Lee Is His Name

There's a new addition to the family of Terry and Willetta Reichel, of 600-95 Sumpter road, Belleville. Their baby son was born July 20 at 5:46 p.m. at Annapolis Hospital, Wayne. Weighing in at 8 lbs. - 4 3/4 ozs. and measuring 22 1/4 inches the newcomer was named Terry Lee.

The baby's grandparents are Mr. and Mrs. Edward Reichel and Mr. and Mrs. Kenneth Suzor.

Sue Bitnar, Jim Hastie Exchange Vows In Hawaii

Kaneohe, Hawaii was the setting for the July 18 wedding of Sue E. Bitnar, of Belleville, and L/Cpl. James A. Hastie, of Massapequa, New York. The six thirty o'clock candlelight nuptials were read by the Rev. Robert R. Mackey, S.M., of St. Michael's Chapel at the Marine Corps Air Station at Kaneohe. Some 40 relatives and close friends attended the double ring ceremony.

The daughter of Mr. and Mrs. Oldrich Bitnar, of 47624 W. Huron River drive, Belleville, Sue makes her home at 47021-A Lihikai drive, Kaneohe. Jim, the son of Mr. and Mrs. James M. Hastie, of 99 Bay drive, Massapequa, New York, is serving with the U.S. Marines at Kaneohe.

bouquet of pink antherium and carnations. Her headress was a lace bow under a lace mantilla.

Thomas Parnell and Dave Graf served as ushers.

For her daughter's wedding, Mrs. Bitnar wore a colorful print dress and added a corsage of yellow and gold orchids trimmed with gold ribbon.

The wedding reception was held at the home of the best man and honor attendant on Lanikai Beach near Kailua. The three-tiered wedding cake was cut by Mrs. Ben Avey and the guest book was circulated by Mrs. David Maddy.

Following a three-day honeymoon at Waikiki, the newlyweds took up residence at 47021-A Lihikai drive, Kaneohe.

Farmer Given Special Salute at State Fair

The hard work and initiative of the American farmer are largely responsible for America's high standard of living. E.J. (Jeff) Keirns, State Fair general manager, noted in announcing Agriculture Day at the 120th Michigan State Fair.

Each day of the fair, which runs from Aug. 22 through Sept. 1, has been designated for a certain group of purpose, but agriculture is so overwhelmingly important to our state and nation, Keirns said, that every day at the State Fair is considered an Agriculture Day. In addition, a special salute will be paid to farmers on Thursday, Aug. 28, the main Agriculture Day.

United Nations statistics show that the pork chops the average American worker has for dinner cost him only 57 minutes working time per kilogram (a kilogram is about 2.2 pounds). In France, for comparison, the chops cost the worker 193 minutes; in Russia, 369 minutes.

Beef, says the UN, goes for 44 minutes in the U.S., 340 minutes in France, 147 minutes in Britain, and 161 minutes in Russia.

Through the entire range of foodstuffs, the U.S. worker pays consistently less of his income than workers anywhere else in the world. Food is truly a bargain today, Keirns said, despite the recent inflationary cost increases.

What's America eating today? Our consumption of red meats has risen from 127 pounds per capita per year in 1935 to about 170 today. Poultry consumption has gone up from 15 pounds to 43 pounds. However, potato consumption has dropped from 151 pounds to 114

pounds, and wheat flour has dropped from 160 pounds to 116 pounds.

"It's as simple as this," Keirns said, "the American public are meat eaters today." To produce all the food we consume and export America has a farm population of under 13 million, less than seven percent of the population. In 1930, the farm population was more than 30 million.

Farms are growing in size as we require fewer and fewer workers to man them. In 1930, average acreage was 157. Now it's more than 350. Today, one man does the farm work it required four to do in 1940.

When you plunk down the dollars for food, how many of them get back to the farmer himself? The latest figures show that the farmer gets only 40 percent of that money. The rest goes to the processors, the wholesalers, the retailers, and for transportation.

It is indeed remarkable, Keirns said, that while farms and farm workers are on the decline, crop production continues to push rapidly ahead, thanks to scientific advances and to greater mechanization.

Keirns noted, however, that agriculture and related fields still make up our largest industry. And far from diminishing in importance, it is the family commercial farm which today still represents about 96 percent of all farms in this country. And these family farms account for about 73 percent of our total farm marketings.

The overwhelming importance of the farmer makes it only fitting, Keirns said, that everyday at the State Fair be designated as Agriculture Day.

DETROIT—Veterans of the famous 32nd Infantry (Red Arrow) Division will meet in Detroit Aug. 29-31 for their Golden Anniversary Convention.

Organized 50 years ago as the "32nd Division Veterans Association," the outfit is one of the oldest of its type in existence.

The 32nd, as a fighting division, was one of the top outfits in both World War One and World War Two. It also saw active service during the Berlin Crisis.

Convention Headquarters will be the Detroit Hilton and all activities will be held there.

Fakir to Perform Mystifying Tricks

This favorite saying applicable to Vernon Craig, who is better known as "Komar. The Hindu Fakir." The reason for this is that Komar, as one feature of his mystifying feats, supports 500 pounds while on a bed of nails.

Komar will appear at Wonderland Center, Plymouth at Middlebelt, Livonia, the week of Aug. 18-shows daily at 1-3 and 7 p.m. Some other features of Komar's act include leaping on nails, fire eating while balancing on swords, and walking on hot coals.

The story begins in Hamilton, Ohio, where he was an unusual child. His hobbies ranged from rare plants to snakes to electricity.

For a while he kept two King snakes, one five and a half feet long, the other six and a half foot. He even walked around with them curled around each arm. His favorite, however, was a three-foot Queen snake he carried to school in a bag.

Another playmate of Komar's was "Hazel," a tarantula, he obtained from a biological supply company.

Another interesting aspect of Komar's life is that he is probably the only "walker on hot coals" to have been named the Jaycee's Outstanding Young Man of the Year in 1965.

Komar states he doesn't practice in advance because he gets scared without an audience.

THE FIRST EDITION will be appearing with Mary Hopkin in the Meadow Brook Special Events Series at Oakland University's Baldwin Pavilion on Wednesday, August 20, at 8:30 P.M. Tickets are non available at Hudson's, Grinnell's, Troy National Bank and Meadow Brook Festival Box Office in North Foundation Hall on the O. U. Campus.

Top Musical Set At U-D Theater

"Carnival", winner of the New York Drama critic's award for best musical, is the third production of the Stock '69 Summer Theatre season at the University of Detroit.

Based on the motion picture "Lili," which starred Leslie Carron and Mel Farrer, the musical had a successful Broadway run from 1961 through 63. A musical for all ages, it has much to offer, with puppet shows and acrobats, as well as Bob Merrill's outstanding musical score.

With a zest for life and a winning naivete, Lili (Claudia Teeley) changes the life and lives of the fifth-rate carnival troupe. Most effected are Paul Berthalet and Jacquot, played by Kenneth Wilson and Jeffrey Winner respectively. She brings new life to their dull puppet show, winning Paul's heart in the process. The story bears out the enchanting theme, "Love Makes the World Go Round."

"Carnival" previews on Aug. 17. Beginning Aug. 18, all three musicals of the Stock '69 season—"Once Upon a Mattress," "Little Mary Sunshine" and "Carnival", will rotate in the repertory system. Reservations for the Musical Repertory are now being taken at the Theatre Box Office in the Ford Life Sciences Bldg. For phone reservations call 342-1000, ext. 207 or 339.

Essay Contest for Kids Slated at State Fair

Youngsters visiting the Michigan State Fair on Children's Day, Tuesday, Aug. 26, will get a chance not only to win U.S. Savings Bonds but to tell fair officials just what they learned at the exposition.

E.J. (Jeff) Keirns, State Fair general manager, said an essay contest will be conducted, with a \$50 bond as a first prize, and other prizes for second and third places, in each of six age groups.

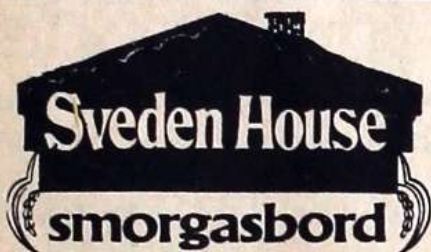

The children will write on the topic: "What I Learned at the Michigan State Fair." In

addition, the youngsters will be asked to check boxes indicating what exhibits they visited and which ones they liked best.

Entries must be delivered to the State Fair administration building by 10 p.m. Friday, August 29 or mailed with a postmark on or before that time.

A \$50 savings bond will be awarded winners in these six age groups: 6-7, 8-9, 10-11, 12-13, 14-15, and 16-17. A \$25 bond will go to second place winners and a Webster's Collegiate Dictionary for third place winners.

Rules and entry blanks will be handed out to all children entering the State Fair gates on Children's Day, Tuesday, Aug. 26.

FORTY YEARS OF DELTA—The birth of Delta Airline into the airline industry was inaugurated 40 years ago with the six-passenger Travelaire (top) 90-mile-an-hour monoplane. Today the Super DC-8 (lower) can whisk 195 passengers at speeds up to 600 miles per hour from Metro Airport to Miami, Florida in a little over two hours.

Western Wayne Folks Help Delta Mark 40th Anniversary

FORTY FLYING YEARS—A record of airline "firsts" marks the 40th anniversary of Delta Airlines as one of the key air carriers based and operating from Metro Airport.

It is a well known tale in aviation circles that a tiny pest, better known as the boll weevil, probably was more responsible for the birth of Delta than other factors.

For it was in the early 1900's that the unwelcome boll weevil migrated from its former home in Mexico invaded, and devastated the American cotton fields from one end of Dixiland to the other. It caused such havoc that it became a major concern of the federal government, and steps were programmed to combat this invader.

Under the direction of a Dr. B. R. Coad, and assisted by a young agricultural agent, the team came up with a remedy, calcium arsenate, to arrest the boll weevil epidemic. The one important operation was a way to apply the chemical effectively with the utmost speed.

After many disappointments with both government and civilians, they organized

the world's first commercial crop dusting company. They became the Huff Daland Dusters, naming their company after the firm, Huff Daland Manufacturing Company of Ogdensburg, N.Y., who specially built their crop dusting airplanes. Within three years, boasting a fleet of 18 airplanes, they became the largest subsidized air fleet in the world of that era, and also renamed the company, Delta Air Lines, Inc.

They became the first American airline to operate south of the Equator, flying mail from Peru to Ecuador, and the company's principal founder, C. E. Woolman, saw his dreams take form when on June 17, 1929, Delta inaugurated their first passenger flights from Dallas, Tex., to Jackson, Miss.

The aircraft used were 90-mile-per hour Travelaire powered only by 300 hp Wright "Whirlwind" engines. It was a bold venture inasmuch as there were no mail contracts to ease the financial burden, and service was even extended to Birmingham, Ala., and Atlanta, Ga., as new airplanes were delivered from the factory. By late 1934, Delta was flying the new Stinson

tri-motor airplane that flew over 100 miles-per-hour and carrying their first air mail flights.

One of the first seven pilots of that era was a flyer who was to rise through the company ranks and in 1965 become President of Delta Air Lines. Through the years Delta steadily kept pace with the air industry's rapid acceleration. After the famed Stinson Tri-motor, which was built in Wayne, Mich., came other airplanes that were to write aviation history. — the Lockheed Electra, DC-2, DC-3, DC-4, DC-6, DC-7 and the Convair 440.

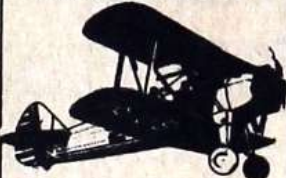

On Sept. 18, 1959, Delta inaugurated DC-8 pure jet service, a few months later led again with Convair 880 jet service and in December, 1965, introduced the "vest-pocket" jet, the DC-9, bringing jet service to the many intermediate cities they had been able to service only with piston engined airplanes.

Today, blanketing a 60-city nation-wide system, Delta employs over 17,500 people. At Metro Airport, one of Delta's key facilities in the system, are almost 500 members of the Delta family. Almost every community in Western Wayne County is represented. At the airport installation is Passenger Service Agent Dave Switzer of 9526 Biddle, Romulus. Westlanders are Patrick Beyman, 1390 Mar-Ann; Linda Altherr of 5688 N. Christine, and Steve Hopkins who resides at 638 Darwin. Hopkins is senior agent in charge of cabin service.

From Belleville are Paul Oatley of 42871 Tyler, and Lloyd Schreckengost who lives at 40565 Willis. Waynites Senior Agent Dewain Miller of 31801 Grandview and Agent Janet Duda of 6883 Niagara are veteran Delta employees. Windy Baker also an "ole timer" hails from Garden City at 31550 Marquette Ave., as does Norman Chretien. From Inkster are Richard Petri of 315 Bert Land and Stewart Ryan, 2505 Monroe.

These are just a small portion of the many who reside in this area and have helped Delta Air Lines grow to become the fifth largest airline in the nation today.

BOLL WEEVIL'S FOE—The Huff Daland biplane was the first aircraft of its type to be effectively used as a crop duster to combat the boll weevil invasion that plagued the Southern cotton fields during the early 20's. The aircraft has been completely restored and is in A-1 condition.

Jet Transports Are Ahead Of Time

A Pan American World Airways official told an MIT aerospace group, "Today's jet transports are running three to four years ahead of airports in gearing up for all-weather ('Category II') operations." Ben F. McLeod, Pan Am's Director of Electronic Engineering, said only one airport (O'Hare-Chicago) is presently qualified for such operations.

Clinic Calls Twirlers

The Annual Baton Twirling and Cheerleading Clinic being held on the Eastern Michigan University campus (Aug. 11 through Aug. 15) has attracted baton twirlers and cheerleaders from Belleville, New Boston and Romulus areas.

The clinic is conducted by Mary Evelyn Thurman, internationally known clinic director, teacher and judge. In 1969 she was selected by the National Baton Twirling Association as the "Teacher of the Year."

The following area girls are attending the clinic:

Betty Wood, 17429 Sully Drive; Veronica Lee Richards, 45154 Paris Drive; and Mona Prentice, 38426 Judd Road. Karen Schonfeld, 36305

Pennsylvania Road, Theresa Swim, 29915 Pennsylvania Road; Diana Breaz, 27570 Huron River Drive; Cathy Higgins, 21000 Middlebelt Road; Jolynn Gobely, 22373 Huron River Drive; Beth Bullard, 18500 Hannan Road.

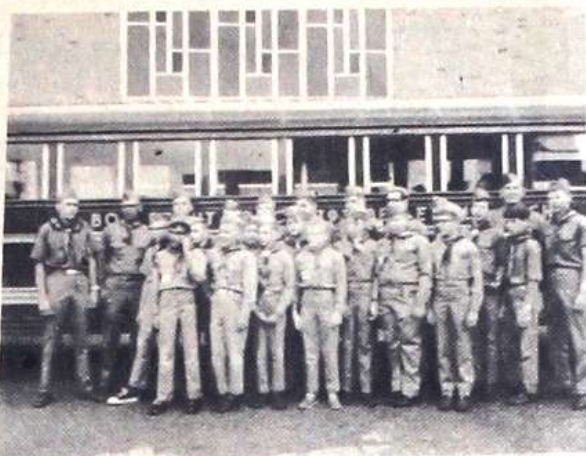

Also Donna Niswenger, 29407 Van Horn Road; Cheryl Young, 25936 Carleton West Road; Linda Johnson, 30343 Van Horn Road; Rebecca Hibbitts, 28591 West Road; and Kathy Burgess of New Boston.

All phases of cheerleading, baton twirling, majorette work, drum majoring plus a special concentrated pom pon course are covered by a highly trained teaching staff during clinic sessions.

Hearing Set by Planners

BELLEVILLE—The Van Buren Planning Commission will hold a public hearing Wednesday, Aug. 27, on the rezoning of the approximately eight acres of land, located on Rawsonville Road in rear of the Hub site.

A rezoning petition seeking a change from R-1B (Single Residential) to C-E (general zoning) was filed by Landy Box.

PAY OWN WAY—Members of Boy Scout Troop 793, sponsored by St. Anthony School, returned last week from the National Scout Jamboree, world's largest scout camp of the year which was held in Idaho. The scouts (20) of a 35-member troop earned their own money to finance the trip. The youngsters were accompanied by scout leaders, Ray O'Neil, Bill Bowles, Chaney and Ed Lauth, Warren Branscomb. The trip was under the direction of Ray Memering, IR Representative.

PREPARING REFRESHMENTS—Members of the Belleville Area Lions Club were treated to a summer weekend at the summer home of James Egan, past president of the local club. Above are wives of members preparing refreshments for the large group that attended the weekend of activity and relaxing. Members and guests viewed the famous Mackinaw Boat Races and spent an evening at a local nightclub.

AT SURFSIDER—Part of the group of Belleville Area Lions Club members in front of the Surfsider Night Club, Lexington, Mich. where an evening dinner and entertainment was held. The group was hosted to a summer weekend by the Egans (James Egan, past president of the Belleville Club). Left to right are Edna Florian, Ray Ferrier, Gayle Nash (Romulus), Sorita Egan, Bob Cook, Ron Nash (Romulus) James Egan, Judy Berlinn, Sally Jones, Ermil Jones and Sally Jones.

Supervisor Kenneth Mericle is Elected Gets New K-F Club National President Secretary

ROMULUS—The appointment of Mrs. Maxine Sabich of 9452 Barry Drive, to fill the vacancy of secretary to Romulus Township Supervisor Roderick E. Smith has been approved by the Township Board.

Mrs. Sabich was formerly clerk and secretary to the Romulus Police Chief. She started in township employment in January, 1969.

Romulus Trustees OK Appointment

ROMULUS—A vacancy on Romulus Parks and Recreation Commission created by the resignation of Mrs. Vaudie Elliott of 38440 Wade, has been filled.

The Township Board on motion of Trustee Ellis T. Pennington, a member of the commission, appointed Mrs. Weona Hood of Wade Street, on Aug. 4.

BELLEVILLE—Kenneth Mericle of 47090 Denton Road, is the newly-elected President of the National Kaiser-Frazer Owners' Club of America and Europe.

The new slate of officers were elected to a two-year term at the National meet, which was recently held in Overland Park, Kansas, Aug. 1-3, with headquarters in the Glenwood Manor Hotel.

The K.F.O.C. was formed in 1958 by 13 interested persons in a Chicago hotel.

THE NATIONAL organization has since grown to 1,400 members, representing every state and the countries of Canada, Belgium, France, Dem Guyana, Puerto Rico, Sweden, Turkey, and Switzerland.

Mericle was a former employee of the K-F plant at Willow Run, Mich. from 1946-1953, whose assembly lines rolled off the most modern looking cars anyone had ever seen!

At a recent 11 state Midwest Divisional meet, held in Columbus, Ohio, he was given the "Special Award" trophy for, "most years of K-F driving."

The new K-F. National President, is also serving a two-year term as Director of the Mich.-Ohio and Canada "Seaway" division of the National K.F.O.C.

Mrs. Kenneth Mericle is fulfilling a two-year term as Secretary-Treasurer of the Seaway group, which boast a membership of 106 devoted, loyal men from the two states and Canada.

Any interested persons are invited to attend the next "Seaway" rally, being held in Pearson Park, Toledo, Ohio, Sept. 21st-1969.

EAST LANSING—The Michigan Education Association has filed suit in United States District Court in Detroit suing the Lamphere School District Board of Education, Superintendent of Schools, a Madison Heights policeman, and a municipal judge of Madison Heights for more than 3.5 million dollars.

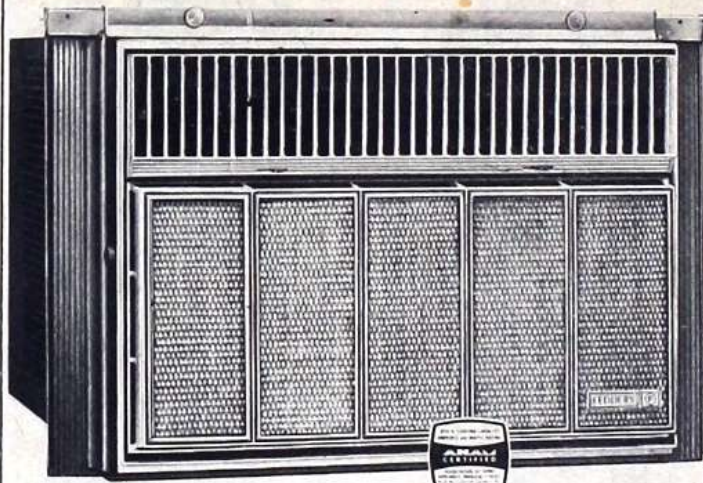

The suit was filed Aug. 11 on behalf of a Lamphere teacher, Patrick Eady, who was fired from his job in March, 1969.

School district officials claimed Eady was responsible for literature distributed by a representative of the White Panthers who had been invited to talk to students. School officials cite one four-letter word which they held inappropriate.

The police officer, William F. Sloan, and the municipal judge, Edward W. Lawrence, are being sued for alleged improper arrest and prosecution of the teacher.

Eady is backed by the Lamphere Education Association, and is represented by Erwin Ellmann, for the Michigan Education Association.

Ford Not Yet Satisfied With Tax Reform Bill

WASHINGTON, D.C.—Congressman William D. Ford (Democrat—15th District) expressed both satisfaction and disappointment this week after House approval of the most comprehensive tax reform bill in history. Ford, who voted for the bill after supporting several attempts to amend it on the House Floor, said that the legislation contains a number of much-needed reforms and several provisions that will help ease the tax burden on low and middle-income taxpayers.

The bill does not increase personal tax exemptions, as sought by Ford, nor does it

close some of the most glaring loopholes through which many wealthy persons and corporations avoid paying a fair share of taxes.

Some of the reforms in the bill have been watered down to lose their full effect Ford said.

"The bill is a start, however, and is a big step in the right direction," Ford declared. "Even though I was not fully satisfied with it I voted for the bill. I did so in the hope that the Senate may be able to strengthen it by adding some of the needed reforms that were overlooked in the House. I also hope that the House Ways and Means Committee will continue to

consider some of these additional reforms."

The tax reform bill, which also continues the surtax at five percent from next January through June, was passed by a 394-30 vote. Most of the dissenting votes were cast by Congressmen representing oil-producing states who objected to a reduction in the oil depletion allowance from 27½ percent to 20 percent.

Ford, who voted against the surtax when it was enacted last year, had been opposed to its extension this year.

He was among 205 House Members who voted last month against President Nixon's proposal to extend the tax at 10 percent through the end of the year. The extension was approved by a 5-vote margin—210 to 205.

"I think the surtax is totally unnecessary and exceedingly unfair for the great mass of middle-income taxpayers," Ford said. "I would have preferred to raise the needed money by closing all of the loopholes. The legislation was presented, however, on an all or nothing basis so I went along."

Ford pointed out that all taxpayers except those with incomes over \$100,000 will benefit in varying degrees by the bill.

Using a family of four as an example, he said that those with incomes under \$8500 will receive a 100% tax reduction; those making \$8500 will have a 31% cut; those in the \$7500 category will get a 16.2% cut, and those at the \$10,000 level will enjoy a 14% reduction. The percentage gets less as the income increases, but anyone making less than \$100,000 a year will have a tax reduction by at least 5% within the next two years. Those making over \$100,000 will pay more taxes due to the reforms included in the bill.

Be a "litterbug"; Beat up any of the fairgrounds guards; Carry a switchblade, or have firearms in your possession; Smash up any property, public or private, on the fairgrounds; Create a disturbance; Loiter, trespass, beg, or be a vagrant.

THE REGULATION provides that violations will be considered misdemeanors, with conviction carrying a fine of up to \$50 or a jail sentence of 10 to 60 days.

If you're sober, solvent and looking for a wonderful time, you'll be welcome at the fairs.

Worker and job will some day be matched by machine if experiments currently under way by the U.S. Training and Employment Service prove successful. In cooperation with the State public employment offices, that agency is experimenting with computers to match applicants with current job openings.

Rules to Establish 'Conduct' at Fairs

You can ride on the ferris wheel, eat cotton candy, admire the prize livestock, and do a lot of other happy things at the Michigan State Fair Aug. 22 through Sept. 1. But there will be a lot of things you CAN'T do, under a proposed new regulation governing unlawful acts on state fair properties. The regulation was developed on the advice of the attorney general's office.

Rules will also apply to the Upper Peninsula state fair in Escanaba, open August 12 through 17.

A HEARING on the new regulation is being conducted by the Michigan Department of Agriculture Monday, August 11, beginning at 10:30 a.m. The hearing, open to the public, will be in the department conference room, sixth floor, Lewis Cass building in Lansing, Director B. Dale Ball said.

Some of the things you can't do at the fair, if the regulation is adopted by the Michigan Commission of Agriculture, are:

Gary Joseph Mettert

Wayne Man Missing Since Last May

Wayne Police reported yesterday that Gary Joseph Mettert of 4436 Nyman in Wayne has been missing since Monday, May 6, 1969.

Mettert was last seen by his mother as he left home to practice with his rock group, known as the Added Touch. He left the house alone in his car with his guitar and music books. The car was found on Beck Road, north of Michigan Avenue in Canton Township on May 14. The car was locked and no signs of a struggle were in evidence.

Police have expanded the search as far as Canada and have run numerous polygraph tests but as yet have been unable to locate Mettert.

Mettert is a White male, 20 years of age. He is five feet, nine inches tall, weighs 185 pounds has blond hair and blue eyes.

Anyone having any information regarding his whereabouts is requested to contact the Wayne Police Department, 34840 Sims Avenue, Wayne Michigan, phone, 721-1414.

Lease Bids Sought On County Farm

WAYNE—The County of Wayne has available for leasing 406.27 acres of farm land on a three (3) year lease, Donald D. Juchartz, County Extension Director, said.

The land is located at the Wayne County Child Development Center, Northville Township, near Northville, Mich., and is divided into 14 fields.

Lease bids must be returned on or before Aug. 18, 9:30 a.m., to Room 928, City-County Building, Detroit.

TO INSPECT this property you may contact Thaddeus Magiera, business manager, Wayne County Child Development Center. His phone number is GL 3-6500.

For those who are interested in leasing this

property, bid forms can be obtained by calling or writing our office (phone 721-6550).

For further information you can contact our office at the above phone number or Walter F. Collins, Purchasing Department, County of Wayne, phone 224-5151, in Detroit.

LURAY, VA., PAGE NEWS AND COURIER: "One thing sure, it is absolutely necessary in these days to know how to read and write. Otherwise, a person is condemned to an ordinary existence and in many cases becomes the ward of the welfare department. Many of the demonstrators who shout for change could use their time much better by applying themselves to books than voicing demands for handouts which they don't deserve."

Citizens Claim Refunds For Drug Overcharges

WASHINGTON, D.C.—Congressman William D. Ford (Democrat—15th District) has announced an opportunity for citizens to claim refunds on drug overcharges.

If you purchased any one of 10 often-used brand name antibiotics between 1954 and 1966, you were overcharged and can claim a refund.

But you have to act quickly; your claim must be postmarked by midnight, Aug. 16. For the convenience of 15th District residents, a refund claim form may be obtained from either of Ford's two district offices listed below:

Room B-12, Wayne Post Office, 3716 Newberry, Wayne; or 20449 Ecorse Road, Taylor.

The drugs involved—commonly used for treating respiratory infections, urinary and skin infections, and viral infections such as pneumonia—are marketed under names like Aureomycin, Terramycin, Achromycin, Mystecilin, Panalba, Panmycin, Polycycline, Steclin, Teracyn, and Tetrex.

Consumers were charged some \$50 per 100 capsules for the drugs when the normal charge should have been about \$10. Consumers must be protected from illegal price fixing by tough government enforcement of

the laws. Now, because of a court case prosecuted vigorously during the last Administration, consumers will be repaid for unfair, excessively high charges for

As settlement of damage suits brought by consumer groups and some governmental agencies, five drug companies have established a \$100 million repayment fund. Consumer organizations are doing their best to inform citizens about the repayment, and encouraging them to claim the money due to them.

It is important that consumers file the claims; no matter how small. By doing so they can impress upon

manufacturers of all consumer products that price-fixing does not pay; that consumers will aggressively pursue repayment of overcharges.

All citizens are urged to check their records and their money to determine the estimated amount spent to purchase the 10 drugs each year from 1954 to 1966. If precise records are unavailable, an estimate of the amount spent is acceptable.

Millions of Americans were the victims of drug overcharges. The money should be returned to those from whom it was taken.

VAN BUREN TOWNSHIP BOARD MINUTES

Minutes of Regular Meeting July 22, 1969

The meeting opened with the Pledge of Allegiance and was called to order at 8:00 pm by Supervisor Stoelton. Board members present were: Supervisor Stoelton, Birk, Domcik, Payne, Maton; absent were Hogan and Hink. Also present were Attorney Hopson, Secretary Brown and 15 citizens.

A motion by Domcik, supported by Birk, to accept the Minutes of 7-8-69 as presented. Motion carried.

A motion by Domcik, supported by Payne, to accept the Minutes of a special meeting of the Water and Sewer Commission held 7-14-69 and their recommendation to award the bid for construction of a water main line along Lohr and Martz Roads to the second lowest bidder, Ackron Contracting. Carried unanimously. Mayo & Co. had asked that their bid be withdrawn after discovering errors in prices of pipe, etc. Motion Domcik, support Birk, that we authorize the Township Clerk to sign the Mylars for Van Buren Estates. All other necessary approvals and signatures had been taken care of previously and the Clerk's signature was the final requirement before construction could be started. Motion carried.

A motion by Payne, supported by Domcik, that we agree with the resolution received from the City of Lincoln Park and that we send out a resolution similar to theirs, whereby voter registrations continue to be handled by the townships and not by the County. Carried unanimously.

Mr. and Mrs. Lang of Robson Road were present to inquire about the sewer on Robson Road. Their new home is near completion and they must move in within a few weeks; they cannot move in until the sewer is ready for their tie-in. Mr. Lang was told that Detroit Edison must install an additional line before they can hook up to the sewer line. Weather has deterred Edison from completing the line installation.

A motion by Domcik, supported by Maton, that the resolution be passed authorizing the Clerk to publish the Water Contract and the Sewer Contract between the County of Wayne and Van Buren Township, and further, authorizing the execution of the contracts after thirty days. Carried unanimously. The Contracts are to be published in the Associated Newspaper, the Belleville Enterprise, Belleville, Michigan, next edition.

Mr. Stoelton read the June financial statement for the 34th District Court; acknowledged and filed.

A motion by Payne, supported by Domcik, to authorize the Wayne County Road Commission to pay from the bond proceeds the estimates submitted by Mr. Shell for water and sewer construction changes. Carried unanimously.

Mr. Shell also submitted specifications for the cleaning of the Hubbard Drain in Van Buren Township. Motion by Domcik, supported by Birk, authorizing the Clerk to publish requests for bids on cleaning the Drain. Motion carried.

Mr. Domcik, newly appointed Planning Commission member, requested that we call upon Parkins and Rogers Associates for a re-study of our zoning ordinances. A motion was made by Domcik, supported by Maton, that we ask Parkins and Rogers Associates to assist us in the clarification and correction, where necessary, of our zoning ordinances. Carried unanimously.

Motion by Maton, supported by Birk, to renew the kennel licenses of Carl Gray, 50563 Mott Road, and Maryann Blair, 41870 Tyler Road. Motion carried.

A motion by Payne, supported by Domcik, that we accept the financial report of the Water Department and file for audit. Motion carried. A motion by Domcik, supported by Payne, to adopt the Detroit Edison Franchise. A roll call vote, with Maton abstaining due to his employment with Detroit Edison, carried the motion.

Reminder On Education Pay

The Veterans Administration is anxious to have veterans' G.I. education checks arrive on time this Fall. Manager Robert M. Fitzgerald of the Detroit VA Regional Office, said today.

Judging from experience going back a quarter of a century, the VA says the number of delays would be reduced drastically if veterans and schools did their part of the required paperwork...

and did it on time.

If the veteran who was in college last semester followed instructions and returned his Certification of Attendance at the end of the last term, he has nothing more to do before his checks start arriving this Fall. The college registrar, of course, must follow through and return the completed enrollment certifications to the VA.

IF THE veteran did not return his Certification of Attendance, he should do so immediately. If the Certification is lost, the veteran should contact the VA office that issued it to him.

Veterans enrolling for the first time—or who have changed college or program—must be certain:

* They have obtained a proper Certificate of Eligibility from the VA.

* They have submitted this Certificate to the college registrar.

* The college registrar returned the completed certificate to the VA.

Normally, payment from September and October is combined in the first check mailed to veterans in November.

Van Buren Township Planning Commission

Regular Meeting, June 4, 1969

Chairman Wallace called the meeting to order at 7:30 P.M.

Commission members present were Wallace, Scharp, Walls and Payne. Also present were 8 persons.

Motion Walls, support Scharp to approve as presented minutes of May 7, 1969. Carried unanimously.

A Correspondence from Wayne County Road Commission was read referring to drainage to the proposed Suburban Estates Mobile Home park on Lohr. It was suggested that a copy of the letter be sent to the petitioner.

Motion Scharp, Support Walls to approve as read minutes of public hearing of May 28, 1969. Carried unanimously.

Payne reported that the Planning Commission had received a photostat copy of land contract from Van Buren Investment Co. Executed October 22, 1969. Chairman Wallace asked the Commission members if they felt if they had sufficient time since the 28th hearing to act on the request of Van Buren Investment Co.

A motion by Walls, supported by Payne to table the foreshadowed request until the next regular meeting for further study. Carried unanimously.

A letter from Wayne County Road Commission pertaining to streets in the proposed Renier Subdivision was read. The Commission members decided that parts of the letter were not understandable. Mr. Wallace will contact Mr. La Gosh of the Road Commission for further information.

Mr. Casper Coccimiglio filed a petition and asked for a public hearing on 10 acre parcel to be rezoned from R-M (multiple Dwelling) to C-1 (General Business). Mr. Coccimiglio stated he wanted the zoning for re-sale purpose. After some discussion a motion by walls supported by Scharp to grant the public hearing on the foreshadowed request Carried unanimously. Mr. Coccimiglio was asked for a photostat copy of ownership.

Mr. Landy Box appeared before the Commission to get their feelings on approximately 8 1/2 acres of property to be re-zoned from R-1-B (single family) to C 1 (General Business) at Rawsonville Road in back of the Hub.

After much discussion a motion by Walls, support Scharp to grant a public hearing to Mr. Box contingent on the proper petition being filed in the office of the Clerk.

Motion by Walls, support Scharp to change the regular meeting time from 7:30 to 8:00 P.M. carried unanimously.

Motion duly made supported and carried the meeting adjourned at 9:10 P.M.

Erma J. Payne, Clerk
Van Buren Township

Meeting June 18, 1969

The meeting was called to order at 8:00 P.M. by Chairman Wallace.

Commission Members present were Scharp, Turney, Walls, and Wallace.

Mr. Wallace explained the meaning of Wayne County Road Commission requirements of Cul De sac and "stub streets" in Renier Sullin.

Motion Scharp second Turney to deny Renier's petition due to inconsistency with Wayne County Road Commission requirements. Carried unanimously.

Considerable discussion ensued regarding Van Buren Investment Company proposal for multiple zoning. Motion duly made, supported and carried the meeting adjourned at 9:05 P.M.

Van Buren Township

SPECIAL MEETING
JULY 10, 1969

Chairman Wallace called the meeting to order at 8:00 P.M.

Commission members present were Wallace, Scharp, Sulliman, Domcik, Walls and Secretary Stanislav. Also present were 4 persons.

A letter of resignation from Erma J. Payne was read and acknowledged. Mr. Kurt Domcik was appointed at the Van Buren Township Board Meeting of July 8 to fill the vacant post until September.

Chairman Wallace asked the Commission if they had had sufficient time to consider the request of the Van Buren Investment Company for a Zoning Change in the East 1/2 of the N. E. 1/4 of Section 11 from Residential R-1-C to Multiple Dwelling R-M and Commercial C. After much discussion a motion by Scharp support Sulliman to rezone the land as presented and published. A roll call vote showed motion carried unanimously.

Chairman Wallace then discussed the possibility of rewriting the Zoning Ordinance in particular the total 15 foot side yard as per footnote g of amendment.

Kurt Domcik was designated by Wallace to ask the Van Buren Township Board to have Parkins and Rogers Clarify the Zoning Ordinance.

Motion by Sulliman, support Scharp and carried the meeting adjourned at 8:25 P.M.

A Pictorial Story on 4-H Youth Clubs' Parade

PAINTING STALLS—Patricia Tafeski and Rosanne Roman were kept busy painting stalls. From their expressions we are inclined to think that they enjoy being around 4-H Fairs.

PITCHING HAY—Guy Olson and Leonard Antolozyk shown tossing hay at the 4-H Fairgrounds prior to opening day. Alan McClair observes the action from his wheelbarrow seat. Last week was a busy week for many as they prepare the numerous exhibits and ground preparations for the animal entries.

MINUTES OF THE BOARD OF EDUCATION

REGULAR MEETING April 7, 1969

The Regular Meeting of the Van Buren Public Schools' Board of Education was held in the office of Superintendent Kaulitz on April 7, 1969 at 7:15 p.m.

Members present were Muse, Williams, Schweigert, Roe, Bole and Hay. Also present was Superintendent Kaulitz.

The meeting was called to order at 7:15 p.m. by President Bole.

The Board discussed teacher personnel and reviewed the principal's recommendations.

Motion by Hay, and supported by Williams, that Margaret Kampe, a Junior High teacher, be notified that she will not be offered a contract for the year 1969-70. Motion carried.

Mr. Egan entered meeting at 8:00 p.m.
Meeting moved to Library at 8:00 p.m.

The minutes of the Regular Meeting of March 10, 1969 and Special intervening meetings of March 17, 1969, March 24, 1969, and March 31, 1969 were read and approved.

The bills for the month of March were reviewed. Motion by Williams, and supported by Roe, that the bills, as presented plus requests for payment for the three present building projects in the amount of \$184,997.00, be approved for payment. Motion carried.

Mark Williams, a student, Mr. Robinson of the University of Michigan, and several students of Belleville High appeared to announce and make the Board aware of a newly organized student group called ACTS (The Association for the Citizenship Training of Students).

Motion by Williams, and supported by Roe, that the School Census be discontinued in the Van Buren Schools as per permission allowed Public Acts of the 1969 Legislature. Motion carried.

Motion by Hay, and supported by Muse, that Change Order No. SE-1 for the Administration Building in the amount of \$1770.00 be approved. Motion carried.

At completion of Agenda the meeting was opened to the audience.

The parents of David Vought and their attorney, Lawrence W. Sperling, appeared before the Board to complain of the expulsion of their son from the high school.

Motion by Schweigert, and supported by Muse, that this meeting be adjourned. Motion carried.

ROBERT A. HAY,
Secretary

SPECIAL MEETING April 28, 1969

A Special Meeting of the Van Buren Public Schools' Board of Education was held at Quirk Road Elementary School on April 28, 1969 at 7:30 p.m.

Those present were Bole, Williams, Hopka, Muse and Roe. Also present were Superintendent Kaulitz and Business Manager Egan, who arrived at the meeting at 7:50 p.m.

President Bole called the meeting to order at 7:40 p.m. After introductory remarks by each board member, Superintendent Kaulitz read the following communications:

a. From Sumpter Township requesting purchase of a northerly portion of the Sumpter Road Elementary School property. President Bole appointed a committee of Hopka, Roe and Business Manager Egan to investigate the proposition and report back to the board.

b. From Northwestern Child Guidance Clinic requesting per capita contribution of 20 cents per student. President Bole asked Supervisor Gray to contact the clinic and make other studies to determine our obligation and status with this organization.

c. Change Order A-3 from architects Jahr-Anderson Associates regarding storm-drain addition at the new junior high site. The change order requires an additional expenditure of \$900. It was moved by Hopka and supported by Muse to approve this change. Motion carried.

d. From elementary teacher Marjorie Gray requesting release from teaching contract to retire at the end of the current school year, June 13, 1969. Teacher Gray also requested pay (according to a recent Attorney General's ruling) for unused sick leave. It was moved by Hopka and supported by Williams to grant contract release with regrets and commending her for her 30 years of service, but that the Attorney General's ruling notwithstanding, there is no means, financial or otherwise, by which the Van Buren School District could grant pay for unused sick leave. Motion carried.

e. From Jerome C. Falwell, co-ordinator of child development programs of the Office of Economic Opportunity requesting a meeting with this board to give a progress report on the Head Start Program. A meeting will be scheduled for the next regular board meeting on May 12, 1969.

f. From Mrs. Doris Kilanski, Principal of Sumpter and Denton Elementary Schools, requesting release from contract to complete her doctoral degree work. It was moved by Williams and supported by Roe to grant request with regrets but to extend the board's good wishes in her work. Motion carried.

g. From Van Buren-Belleville Democratic Club pledging their support of the Van Buren Board of Education's position on student disorders.

h. Change Order GC-2 from Louis C. Kingscott Associates regarding the plaque for the new administration building. This change order to result in a credit of \$13.00. Moved by Hopka and supported by Muse to approve. Motion carried.

i. From the Wayne County Intermediate School District asking for the appointment of an "elector" and an alternate to elect two members to the Wayne County Intermediate School District Board. Williams volunteered to serve in this position and Mrs. Roe volunteered as the alternate.

The attached resolution, calling for the Annual School Election on June 9, 1969, was made by Muse and supported by Bole. Ayes: Roe, Williams, Bole, Hopka, and Muse. Absent: Hay and Schweigert. Resolution adopted.

Representative Roy Smith's proposal to change the method of financing school operating expenses was discussed. It was moved by Hopka and supported by Muse that the Van Buren Board of Education support the circulating of Representative Smith's petitions which ask that this proposal be placed on the ballot in the November 1970 election. Ayes: Hopka, Muse, Roe and Bole. Nays: Williams. Absent: Hay and Schweigert.

Superintendent Kaulitz announced that the United States Department of Justice would present a lecture on narcotics on Thursday, May 15, 1969 at 7:30 p.m. in the high school gym.

Business Manager Egan presented a 1969 summer-building-maintenance program for the board's study and for which he will provide a summary of costs at the next regular meeting.

Schweigert arrived at the meeting at 8:55 p.m. It was moved by Schweigert and supported by Roe, that the following bills as presented be paid:

\$872.56 Police protection at athletic events from

December 10, 1968 through March 21, 1969. Van Buren Township.

\$1,666.00 Contractual agreement — Beaver's Lawn Service. Motion carried.

Moved by Hopka and supported by Williams to allow Vista Volunteers for Sumpter area use of the grounds only and not the buildings at Sumpter Elementary School for summer program.

Moved by Muse and supported by Roe that this meeting be adjourned. Motion carried.

RICHARD R. MUSE, O.D.
Secretary Pro Tem.

REGULAR MEETING May 12, 1969

The Regular Meeting of the Van Buren Public Schools' Board of Education was held in the Belleville High School Library on May 12, 1969 at 8:00 p.m.

Members present were Hopka, Schweigert, Roe, Williams, Muse, Bole and Hay. Also present were Superintendent Kaulitz and Business Manager Egan.

The meeting was called to order at 8:05 p.m. by President Bole.

The minutes of a Special Meeting of April 28, 1969 were read and approved. The minutes of the April Regular Meeting were not read because the original notes were held by the Federal District Court as evidence and were not yet returned.

The bills for the month of April were reviewed by the Board. Motion by Muse, and supported by Roe, that the bills as presented for the month of April be paid. Motion carried.

Mr. Jerome Falwell, Co-ordinator — Child Development Programs and teaching staff of the Sumpter Head Start Program were present and gave a progress report on their program.

The offer of the Michigan State Department of Education, through Roger Boline, to sell one mobile classroom and two one-year old buses to the Van Buren Schools for the sum of \$14,000, was looked on favorably by the Board. However, the administration was advised that the complete offer must be presented in writing before the Board would take action or be obligated.

Motion by Hopka, and supported by Hay, that Transportation Director McKelvey's request to be relieved of his duties as Transportation Director be granted, providing the records will support that portion of the request concerning the amount of vacation time due.

Principal Jane Richardson's notice of termination of contract to the Board was accepted by the Board with regrets.

Member Hopka, and member Schweigert, were appointed on a committee with Principal Ford to make a study and recommendation to the Board regarding expanding of the present High School Library, providing space for a Welding Shop and paving of a rear parking area.

Motion by Roe, and supported by Williams, that the request of Mr. Bill Cummings to use the high school baseball diamond on Sunday afternoons for the A & W Baseball Club be granted. Motion carried.

Motion by Schweigert, and supported by Muse, that the request of Elmer Hulse regarding the continued attendance of his children in the West Willow Elementary School after having moved from the district be approved. Tuition charges to be prorated for the balance of the school year as per Board policy. Motion carried.

A committee of Williams, Hay, and Business Manager Egan to consider and investigate requests for asphalt paving at several school sites was appointed by President Bole.

Motion by Williams, and supported by Muse, that the Regular Meeting for the month of June be postponed from June 9, 1969 to June 10, 1969. Motion carried.

Motion by Roe, and supported by Schweigert, that this meeting be adjourned. Motion carried.

ROBERT A. HAY
Secretary

SPECIAL MEETING May 19, 1969

A Special Meeting of the Van Buren Public Schools' Board of Education was held in the Belleville High School Library on May 19, 1969 at 8:00 p.m.

Members present were Schweigert, Muse, Williams, Bole, Hopka, Roe and Hay. Also present were Superintendent Kaulitz, Principal Ford and Attorney MacDonald.

This meeting was specially called to allow David Vought a hearing before the Board. The hearing being necessary to comply with a directive of Federal District Court, Judge Thornton. David Vought having been previously expelled from school for violation of a directive of the High School Principal John Ford.

Specifically the penalty was for having in possession obscene literature after a memorandum had been read in each homeroom and displayed on the bulletin boards pointing out the penalties that would be inflicted in cases concerning obscene literature. This memorandum was issued by Principal Ford.

After hearing the presentation of the case through School District Attorney MacDonald and David Vought's Attorney, Mr. Sperling, the Board at 10:45 p.m. retired to the office of Superintendent Kaulitz to arrive at a decision. At 11:23 p.m. the Board returned to the library and rendered the following decision.

Motion by Hopka, and supported by Hay, that David Vought, for having violated a directive of Principal Ford, be expelled from the High School for the balance of the school year with the loss of credits for the current semester and that he be allowed to return to the High School at the beginning of the new school year in September, 1969.

AYE: Roe, Hopka, Hay, Williams, Muse, Schweigert and Bole

NO: None

Motion by Muse, and supported by Schweigert, that this meeting be adjourned. Motion carried.

ROBERT A. HAY
Secretary

SPECIAL MEETING May 26, 1969

A Special Meeting of the Van Buren Public Schools' Board of Education was held at the Rawsonville Elementary School on May 26, 1969 at 7:30 p.m.

Members present were Roe, Bole, Schweigert, Hopka, Muse and Hay. Also present were Superintendent Kaulitz and Business Manager Egan.

The meeting was called to order by President Bole at 8:00 p.m.

Superintendent Kaulitz read communications from the following: Norman Stockmeyer, Secretary of the Wayne County Intermediate School District Board; Edgar Branigin, Wayne County Clerk; Robert Mason, Doreen Craven, Norman Drayton and Floyd Griffith, Vice President, National Bank of Detroit.

Chairman of the Professional Study Committee, Ernil Jones, gave a verbal report and recommended department organization for Belleville High School. He also supplied the Board with written copies of this recommendation.

Motion by Hopka, and supported by Schweigert, that the recommendations of the committee regarding asphalt paving improvements at several school sites to be accomplished in the summer of 1969 be adopted. Motion carried.

Motion by Schweigert, and supported by Muse, that the recommendation of the committee to study a request of purchase of part of the present Sumpter School site by the Township of Sumpter, to sell the property in question by whatever means the law provides, be adopted. Motion carried.

Motion by Roe, and supported by Muse, that the sum of \$36,902.50 be approved for payment of fees assessed by Van Buren Township for sewer taps at the new Junior High School and the Quirk Road Elementary School. Motion carried.

Gerald McKelvey came before the Board to discuss a decision on vacation pay which he had requested when submitting his resignation.

President Bole opened the meeting for comments or discussions from the audience.

Motion by Muse, and supported by Roe, that this meeting be adjourned. Motion carried.

ROBERT A. HAY
Secretary

REGULAR MEETING June 10, 1969

The Regular Meeting of the Van Buren Public Schools' Board of Education was held in the Belleville High School Library on June 10, 1969 at 8:00 p.m.

Members present were Hopka, Roe, Williams, Bole, Muse, Hay and Schweigert. Also present were Superintendent Kaulitz and Business Manager Egan.

The meeting was called to order by President Bole at 8:10 p.m.

The minutes of the regular meeting of April 7, 1969, the regular meeting of May 12, 1969, and intervening special meetings of May 19, 1969 and May 26, 1969 were read and approved.

Before beginning the agenda, President Bole announced that he would like to make a few remarks relative to the retirement of Board member Robert Hay and requested that the record so indicate. President Bole, along with members Hopka, Schweigert, Williams, and Muse, all made some very complimentary remarks concerning the service rendered during the tenure of this Board member.

Teacher Ernil Jones, as chairman of the Professional Study Committee, introduced teacher Mary Lou Feight who explained a newly designed report card for the 1st, 2nd and 3rd grades and recommended its adoption. She also recommended changes in the grading system for grades 4 through 6. Ernil Jones at this time complimented his committee of teachers and administrators on their fine and thorough performance on this committee.

Diagnostician Susan Boulter reported to the Board on a proposed E.S.E.A. Title III program. Motion by Hopka, and supported by Williams, that the Title III program, as outlined by Mrs. Boulter, be adopted to begin June 30, 1969. Motion carried.

Motion by Williams, and supported by Muse, that the Belleville High School Track be resurfaced as recommended by Athletic Director Hidenfelter. This work to be accomplished after present field drain problems have been corrected. The amount for resurfacing to be \$3882.00, as per bid. Motion carried.

Mrs. Roe left the meeting at 10:25 p.m.

Motion by Hay, and supported by Schweigert, that the P.A. System as requested by Athletic Director Hidenfelter for the Swimming Pool be approved. The cost to be as per bid of \$449.45. Motion carried.

Motion by Muse, and supported by Hopka, that Athletic Director Hidenfelter's recommendation that equipment for a Girls' Athletic Program be purchased in the amount of \$345.00 be approved. Motion carried.

Motion by Muse, and supported by Hay, that Morgan Watt Painting Company be awarded the painting contract for Proposals A, B and C of the summer painting program for the low bid sum of \$9435.00. Motion carried.

Motion by Hay, and supported by Schweigert, that the request of the Wayne County Library for a room at the Sumpter Elementary School for use as a Library be approved. Motion carried.

Motion by Hopka, and supported by Schweigert, that the request of Mr. Chester Wojcie for the use of buses for transportation to Tiger Stadium for the Belleville-Van Buren Junior Baseball League be approved with the same conditions effective as approved in former years. Motion carried.

Motion by Muse, and supported by Williams, that this meeting be adjourned. Motion carried.

ROBERT A. HAY,
Secretary

SPECIAL MEETING June 23, 1969

A Special Meeting of the Van Buren Public Schools' Board of Education was held in the office of Superintendent Kaulitz on June 23, 1969 at 8:00 p.m.

Members present were Schweigert, Bole, Hopka, Roe, Muse, Williams, and Hay. Also present were Superintendent Kaulitz, Business Manager Egan, and Thurston Jahr and John Hammer of Jahr-Anderson Architects.

The meeting was called to order at 8:00 p.m. by President Bole.

Thurston Jahr advised the Board of some changes the Michigan State Fire Marshall is requiring at the new Junior High School.

Motion by Roe, and supported by Muse, that Change Order No. 2 and No. 3 for the new Junior High School, a total addition to the contract of \$5398.00, be approved. Motion carried.

Mr. John Hammer of Jahr-Anderson Architects presented for the Board's information the color scheme and floor covering for the new Junior High School.

Motion by Muse, and supported by Williams, that the committee report on Secretarial Classification Policy and Salary Schedule for 1969-70 school year be adopted. Motion carried.

Motion by Hopka, and supported by Schweigert, that Driver Education wages be increased to \$6.00 per hour for both classroom instruction and driving instruction activity. Motion carried.

Motion by Williams, and supported by Schweigert, that the Kansas City trip as requested by Susan Boulter for Principal Clyde Stapleton, Principal Clyde Batzer, Director of Title I Ella Woolery and Director of Title III Susan Boulter be approved. Motion carried.

A committee, consisting of Richard Muse, Chairman, Doris Roe, Superintendent Kaulitz and Principal Ford was selected to review disciplinary problems in the high school and report their findings to the Board.

Motion by Hopka, and supported by Williams, that this meeting be adjourned. Motion carried.

ROBERT A. HAY,
Secretary

SPECIAL MEETING June 30, 1969

A Special Meeting of the Van Buren Public Schools' Board of Education was held in the Administration Building on June 30, 1969 at 8:00 p.m.

Members present were Muse, Williams, Bole, Hopka, Roe and Hay. Also present were Superintendent Kaulitz and Business Manager Egan.

This is the first Board meeting to be held in the new Administration Building. Even though the furniture was still short the Board agreed that this was going to be a great improvement for Board and administrative activity.

Dur to some confusion and misunderstanding on the part of employees, President Bole requested the committee on Secretarial Salaries and Classifications be reactivated. The members of this committee are Gerald Williams, Chauncey Schweigert, and Business Manager Egan. That portion of the new report pertaining to office hours is not to be affected by the re-study. All other aspects of the report to be reviewed with and explained to the employees.

Motion by Hopka, and supported by Williams, that the Farm Bureau Insurance Group be awarded the Bus Fleet Insurance for the low bid figure of \$3414.77 for the year

FIRE CONTROL TECHNICIAN THIRD CLASS Allan R. Harris, 22, son of Mr. and Mrs. Albert Harris of 10151 Belleville Road, is serving on board the guided missile destroyer USS Cochrane, now operating with the U.S. Seventh Fleet in the Western Pacific. A 1965 graduate of Belleville High School, Petty Officer Harris joined the Navy in November, 1965. He completed basic training and the Navy's class "A" school for the fire control technicians at Great Lakes, Ill. Since reporting to the Cochrane in September, 1966, he has made two previous cruises to the Western Pacific. Petty Officer Harris is responsible for maintaining and repairing the ship's missile radars and missile control systems.

Hay Fever Sufferers Are Offered Suggestions

Are you among the many who rush to drugstore counters in August to see what is new this year for hay fever sufferers?

E. Osborne Coates, M.D., president of the TB and Health Society today urged sufferers of respiratory allergies such as hay fever to take a different approach this year.

"Relief may be as near as your telephone," Dr. Coates advised. Water, itchy eyes and runny noses are some of the uncomfortable symptoms of respiratory allergies and can often be relieved upon consultation with a physician. In some cases the respiratory allergy may even be cleared up.

DR COATES said there are some general recommendations that your TB and Health Society urges you to consider. They are:

Consult your doctor and get his help in identifying what causes your hay fever, then follow his advice.

If you can, get away from the substance that causes your reaction.

Air conditioning and air purification may help you work, rest and sleep.

Use antihistamines sparingly and only upon your doctor's advice. Don't try to self-medicate.

If your doctor thinks injection will help, start them well before the hay fever season and stick to them without skipping. Your doctor can also be of some help after the symptoms start.

Don't get discouraged if you get rid of one sensitivity only to find you have developed another one.

Be sure to let your doctor know if you think a complication — such as an advanced nose or throat infection — has developed.

IT IS ALSO important that hay fever sufferers maintain good general health. Here are several tips that are

important: avoid getting upset — some hay fever attacks are set off by emotional tension; avoid or reduce the consumption of alcoholic beverages, as they tend to dilate the blood vessels as pollens do; avoid smoking; avoid drastic changes in temperature; and avoid spice foods, powdered soaps and liquid or powder insecticides.

Hay fever sufferers should also use caution when swimming in chlorinated pools or painting or gardening.

Dr. Coates also pointed out that the TB and Health Society has more information on respiratory allergies available. Write to the Society at 153 East Elizabeth, Detroit, Michigan 48201.

Van Buren Reports on Building

BELLEVILLE—Building in Van Buren Township during the month of July amounted to \$219,213, Stan Price, building inspector, reported. In the month of June, building was reported at \$279,150.

Total amount of fees collected on various building permits totaled \$1,647 in July, he said.

Building permits issued included seven for residences, six for mobile home sites five for swimming pools, three for garages, two for sheds, two for both aluminum siding and porches.

An aunt, Sister M. Isabelle, is a member of the St. Joseph Community. A brother, Robert L. Poisson, resides in Chelsea, Michigan.

Moose Lodge Notes

by George W. Steger

The Belleville Lodge No. 934 of the Loyal Order of Moose, held their annual picnic on Sunday, Aug. 10, at the Lower Metropolitan Park for the Belleville Lodge members and their families.

There were free refreshments for the adults and free pop and ice cream for the children. Games and prizes for both young and old.

Civic Affairs Chairman Lester Riney and his committee put a lot of hard work and time into the planning of this annual event and deserve a big thank you from all of us.

The Entertainment Chairman Robert Doane has another big and pleasant treat in store for the members of Belleville Lodge.

On Saturday, Sept. 13, there will be a "Clam Diggers" Dance at the Moose Home. Watch this paper for complete details on this big event and be sure to mark the date on your calendar.

The next enrollment will be held Saturday, Aug. 23, at the Moose Home at 8 p.m. There will be a dinner served from 5 to 7:30 p.m. Dancing after the enrollment to the music of "The Al-Doms".

Tonight (Wednesday, Aug. 13) there will be a membership meeting at the Moose Home at 7 p.m.

Our deepest sympathy to Brother Everett Reese's Daughter on the death of her husband in Vietnam.

Sailboat Regatta Enjoyed By 22 Area Cub Scouts

By Pearl Morris
Phone WH-1-1187

Pack 735 and Dens 1, 2 and 3 of the local Cub Scouts held a Sailboat Regatta Wednesday, Aug. 6, at the home of Cubmaster LeRoy Sims on Ozga Road.

A total of 22 boys entered the sailboats which they had made and painted themselves, with a little help from their dads. Cubmaster Sims had set up a special sailing pond for the competition.

Winners of the preliminaries were: Aaron Chandler, Steven Sims, Kenneth Sims, Steven Curley and Kurt Walter. Overall winner, with the fastest boat, was Steven Sims. The best looking boat winner was Kurt Walter. Parents of the boys provided an enthusiastic audience.

Mr. and Mrs. Philip Delangis of California arrived Saturday night to visit her parents, Mr. and Mrs. Peter Glaab of Hannan Road, and with other relatives here. Other children of the Glaabs and their families called at their home over the weekend to greet the California visitors.

A 7 POUND, 3 ounce daughter was born July 30 to Mr. and Mrs. Richard Allen, 12123 Schultz Street, Romulus. The infant arrived at Annapolis Hospital, Wayne, and was named "Jane Elizabeth." She has two brothers, David Watson, 5 1/2 and Douglas Edward, 21 months.

The baby's grandparents are Mr. and Mrs. George Allen of Chase Road and Mr. and Mrs. Edward Krajewski, Lake Shore Drive, Applegate, Michigan.

The Romulus and New Boston United Methodist Churches are holding Vacation Church School Aug. 11 through Aug. 22 at the United Methodist Church on Olive Street, Romulus. The daily sessions are from 7 p.m. through 8:30 p.m.

Members of the Romulus Western Riders began setting up their individual projects Monday in the display building on the Wayne County 4-H Fairgrounds, Quirk Road, Belleville. The members took their horses there on Tuesday and will remain there for the remainder of the week, sleeping in tents on the grounds with other Wayne

County 4-H's who have animal projects.

They and other 4-H members of the area cordially invite local folks to visit the Wayne County 4-H Fair which is in operation through Sunday, August 17.

The Grant VanAernum of Romulus Avenue had as guests Friday her brother-in-law and sister, Mr. and Mrs. Harry Jones of Leslie, and their daughter, Mrs. Don Deaver, and children from Crown Point, Indiana.

Also visiting here were Mr. and Mrs. Maurice Tabernie and son, Randy, of Leslie. Mrs. Jean Krueger and sons and Randy Tabernie visited Greenfield Village throughout the day. In the evening all of the above were dinner guests of the William Kruegers, Jr., at their home on Romaine Street.

Mr. and Mrs. Clair Keller of Craig Street spent from Thursday through the weekend at Devil's Lake with the Thelbert Thompsons at their cottage there. Enroute home they visited their children and families, the Joseph Fishers and Lynn Vaughns of Wayne, who are vacationing for a week at Wampler's Lake in the Irish Hills.

DAILY VACATION Bible School is being held this week (August 11 - 15) at the Calvary Baptist Church on Ozga Road. Classes are from 9 to 11:30 a.m. The closing service will be on Friday evening at 7 p.m.

Mrs. Madge Kokila of Northline Road is spending a indefinite time with her son and family, the Peter Kokilas, in Puerto Rico. She made the trip by air.

Census To Survey Job Data

A sample of residents in this area will be included in a nation-wide survey of employment and unemployment to be conducted during the week of Aug. 17 by the U.S. Department of Commerce's Bureau of the Census, Robert A. Yerkey, Director of the Bureau's Regional Office in Detroit, announced.

The survey is made each month for the U.S. Department of Labor to determine the number of persons with jobs, the number looking for jobs, and the monthly unemployment rate. The survey furnishes a basic measure of the Nation's economic health.

Facts about each person and family are kept completely confidential.

THE SPORTS MERIDIAN

By JIM BRADLEY

Well, Tom (The Bomb) Mooradian finally made it! He's winging his way to Paris in an effort to get away from it all. And if anyone deserves a vacation, it's old "perpetual motion" himself.

I don't know how he slowed down long enough to get his jet tickets to gay Paree, but I guess he made an extra effort.

He says it's been two years since his last vacation. And from that smiling face of his in this column, you can tell he'll hardly miss the jangling telephone, pressing deadlines and racking his brain to get words down on paper.

He mentioned that someone would be a guest columnist this week, but since no one showed up at the sports desk, I'm batting out this article with the heat of the deadline bearing down on me. If it makes little sense, blame it on the relentless ticking of the clock.

While I have the opportunity, I want to speak a few words. I honestly feel that Tom is one of the best sports writers and most dedicated men in the writing profession today.

He loves kids. He thrills to sports. And putting it down for posterity is a great inspirational force with him. No one on the entire staff of Associated Newspapers puts more sweat, blood and tears into his work than Tom. His pains-taking dedication is a sight to behold and I believe everyone in this area — kids, coaches, parents and readers — are in debt to this fine sportsman.

Tom Mooradian

Tom will probably slug me with an Armenian Karate chop when he finds out I've written about him in the Sports Meridian. But no one deserves it more than the man that's gone on a four-week vacation to France. But I have a question!

How ya gonna keep 'im at the sports desk after he's seen gay Paree?

Qu'est-ce qu'il y a! (What is this?)

Quelle Chance! (What luck).

I think he's going to France to set up a branch office for the Paris Eagle. He'll probably set up his sports desk right next door to the Folies Bergere. He wouldn't get much Wayne-area sports news, but he probably wouldn't mind.

I'm still stuck behind this typewriter while he's probably touring Paris and maybe even taking side jaunts to Monaco and the Riviera. C'est bon! (That's great!).

Tom does a great job, although many people do not understand he covers five cities and six townships, not to mention all the high schools, Recreation Departments and neighborhood scrub games that take place there.

So, to Tom I say, "Il a toute la chance." (He's got all the luck!).

Enjoy. Enjoy. Tom, feel the cool parisian breezes and soak up the European sun, because when you return in fall, the chilling winds of football weather will be upon us.

I'd like to suggest something to all of Tom's vast (it is!) reading public. Everyone of you who realizes the tremendous job that Tom does, why don't you sit down and jot him a letter of appreciation here at the Wayne Eagle Offices, 35613 Michigan Ave., Wayne, Michigan.

Tell this hard-working sports-lover that you appreciate the work he does each week to get you the news you love to read about. I think Tom does as fine a job as any weekly sportswriter in the country, and I'm saying so right now in this column. No one, absolutely no one, can beat his dedication to the life of sports and the great part they play in our daily lives.

Tom, my hat is off to your fine job!

Now, why don't you fine readers write and tell Tom what a good job you think he's doing? Do it now! Send him flowers while he can still smell them! Aves une bonne visite! (Have a nice trip! Tom).

Anchor Block has hit a stumbling block. After pacing the Romulus Adult Softball League for the entire season, the league leaders are feeling the hot breath of WTA Engineers on the back of their neck.

Last week Anchor Block scored a run in the seventh inning to tie the Engineers, 8-8, thus narrowly averting a defeat which would have dropped them into a first place tie with the Engineers. The game was called because of darkness after eight innings.

Anchor's Don DeLano hit a home run to tie the game 7-7. In the 6th inning, WTA edged in front 8-7, by pushing over a single tally.

Then with the chips down and trailing by one run in the last inning, Anchor Block mustered enough power to produce the deadlock. Don Skiff slammed a drive that brought in DeLano with the tying marker and sent the game into extra innings. Darkness halted the contest after a scoreless eighth. The game was slated to be replayed Monday evening and if WTA Engineers win, a play-off tilt was set for yesterday.

Anchor Block is stumbling mainly because three brothers in their line-up, Dave, Ralph and Junior Rakotz are sidelined with ankle injuries.

Anchor Block barely got by sixth-place Northline Service, 3-2, in 9 innings last Thursday to keep its one-game lead. Northline lost 7 of their first 9 games, but has snapped back to reverse that trend, taking 6 of 9 decisions. They are called the most improved team in the league.

Left fielder Frank Delanzo and shortstop Larry Pappas have been instrumental in the team's resurgence. Northline bombed Motor City Containers, 14-6, in its other game last week.

Walter's Bar swept a pair while Gray's team was losing on a forfeit and being clobbered 15-5 by WTA Engineers. This sent Walter's into sole possession of third place, one game ahead of Gray's.

In other games, Baum Funeral Home, which has won its last five games, scored three victories last week. Baum's took the measure of 5 Point Bar in a make-up game, 3-2. The earlier game had been called after eight innings in a 11-11 tie.

Ivan Kinshella pitched and batted his Baum team to the victory. Giving up only 8 hits, Kinshella singled J. Marinelli to third where he rode home on E. Pennington's hit. A Stahl slammed one out of the park with J. Kusabab on base to account for the other Baum runs. Stahl and Kusabab each had a pair of hits for the game. J. Kittle also had 2-for-3 for 5 Points.

Baum took a hard-fought 5-2 decision from Metro Radiator and took a forfeit gift victory from Beck

Diamond. In the Radiator tilt, Baum's power came to the fore in the early innings. B. Czarnecki slammed a two-run homer in the opening inning with J. Marinelli on base.

They picked up another score in the 2nd when Pennington moved to third on J. Kusabab's single and scored when Stahl fled out. Radiator defenses were leaky in the fifth, allowing Baum's to score a pair on a fielder's choice, an error and B. Czarnecki's line single.

Trailing 5-1 in the 7th inning, Radiator began to heat up. They pushed over one run to close the gap to 5-2 and had the bases loaded, but pitcher Kinshella effectively cooled them off by getting the next three men and preserving the victory.

On Tuesday, Walter's took a forfeit from Beck Diamond, and Gray's couldn't field enough men against Five Point Bar.

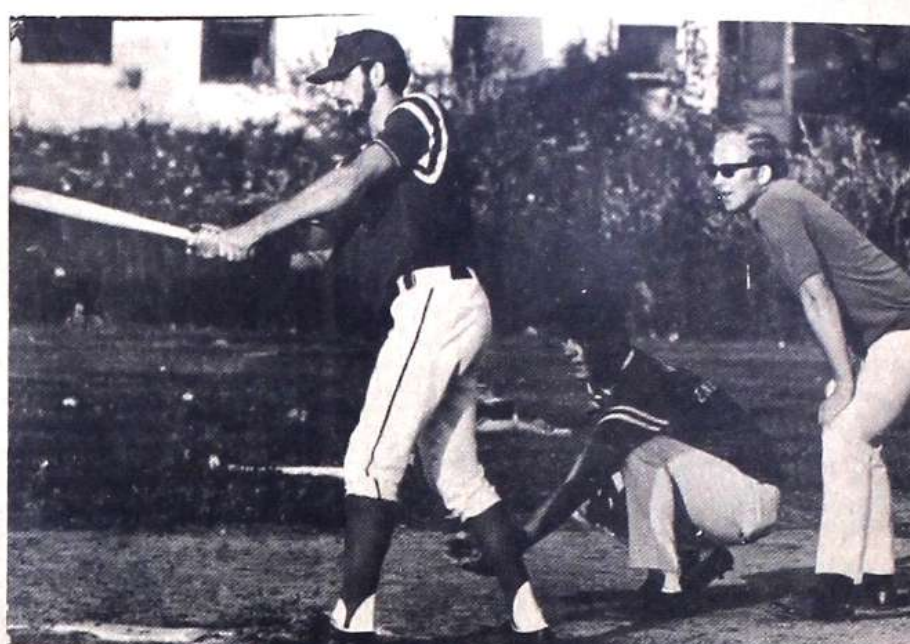

Other Thursday action saw

Walter's Bar outlast Motor City Containers, 15-13, in a slugger's field day. And Five Point edged Metro Radiator in a 7-5 decision.

Playoffs are scheduled for August 12, 13, 14 with the championship game set for Sunday, Aug. 17. Bernard Parker plans on having Romulus Township Supervisor Roderick Smith present the trophy after the title tilt and other township officials are expected to be on hand.

The league champ will advance to the district playoffs in Ecorse later this month while the next four finishers will tangle in a two-game knockout elimination tourney to determine the Romulus Playoff champ.

Mixing in the playoffs will be Walter's Bar, Gray's Team and Five Points Bar along with the loser of the WTA Engineers-Anchor Block struggle, while the winner of that clash will go to Ecorse.

POISED FOR ACTION — With his bat off his shoulder, Walter Bar's Ron Rakoltz gets set for action against WTA Engineers. Also ready are WTA catcher Ron Halvin and the ump. When the action ended, however, WTA had a 11-6 victory tucked into its records and their hopes for a title still burning.

Announce Cheerleader Clinic Dates

The Michigan High School Athletic Association will stage its seventh biennial State High School Cheerleading Clinics at four universities during the month of September and October.

The clinics will also feature representatives from the National Cheerleading Foundation, under the supervision of Randy Neil.

The clinics will be held on Sept. 6 at Northern Michigan

University Fieldhouse in Marquette; on Sat., Sept. 13 at Central Michigan University Finch Fieldhouse in Mt. Pleasant; on Sat., Sept. 20 at Eastern Michigan University Bowen Fieldhouse in Ypsil., and Sat., Oct. 4 at Western Michigan University Mer's Physical Education Building.

Each school planning to attend a clinic should send in an advance notice.

Nascar Racing Set At Speedway Aug. 16, 17

Racing NASCAR-style is a family affair. There's the Pettys: Richard, father Lee and brother Maurice; in Wood Brothers (fastest pit crew in racing): Glen, Leonard, Delano and Clay; car owner and builder Cotton Owens and son Donny; and Negro driver Wendell Scott's pit crew consisting of sons Wenell Jr. and Frankie.

Another family prominent in NASCAR competition will make their first appearance — in different races — at Michigan International Speedway on August 16 and 17: Buck Baker and son Buddy.

Buddy Baker, 28, son of former two-time national stock car champion Buck

Baker will be driving a 1969 Dodge Charger for Cotton Owens in the August 17th Yankee 600 Grand National event at MIS. Buddy was sidelined for the June 15th Motor State 500 due to a broken shoulder suffered during a tire testing crash at Daytona in May.

Fifth place finisher Charlie Glotsbach was behind the wheel of Buddy's No. 6 Charger in the Motor State 500.

The strapping, 6 foot 5 inch Buddy has been racing in Grand National competition since 1959.

Since 1968, the forte of Buck Baker has been the new Grand Touring Division of NASCAR, and on August 16th he will compete in the Irish Hills 250 GT behind the wheel of his 1969 Pontiac Firebird — prepared and owned by Buck Baker. The 50 year old Buck was second in the 1968 Grand Touring Division behind Tiny Lund, and is currently running fourth for 1969 honors.

Sibling rivalry is known as 'team-effort' in NASCAR racing and spectators will be treated on both August 16th and 17th to exciting competition they will long remember.

Tickets are available from Michigan International Speedway offices and all ticket outlets.

RUNNER UP — To Morgan's Pirates and Mel Morgan went the second place trophy in the Romulus Pony League last week. The Pirates placed second to Solarz who finished on top of the standings. Making the awards' presentation is Ron Halvin while Bob Walicki, in the speaker's 'box' emceed the affair.

Fans To Pick "King Tiger"

Voting is underway among the more than 3,000 members of the Tigers' 45 registered fan clubs to select "King Tiger of 1969".

Miss Benay Finazzo, president of the Tiger Fan Club Association which is conducting the poll, and the presidents of several fan clubs will be on hand to salute the "King Tiger" and the runnersup.

The winner of the teen-ager fan club election will be crowned in a pre-game ceremony on the 9th annual Fan Club Day, Saturday, Sept. 6. The Tigers and Baltimore Orioles will meet at 1:15 p.m. that day.

Members of all fan clubs certified on August 1 will be guests of the Tigers on Fan Club Day, entering at Gate 3 upon presentation of printed fan club membership cards.

How About a Golf Tourney Via Mail?

With the help of Uncle Sam and a unique method of computing scores, golfers will be competing for State and National titles in a tournament developed by the American Golf Association.

The major difference between this event and stereotyped tournaments is that the golfers will be playing against par rather than each other.

Rules of the tournament call for qualifying and competitive rounds to be played on the golfers home course which will eliminate financial worries, travel, and

time away from work.

Attended score cards submitted by mail will be computed through a special scoring system developed by the AGA for use in tournaments of this type. No handicaps are used, and all rounds are to be played under the existing rules of golf. Officials of the association point out that this is a basic test of golfing skills and not a sweepstakes event.

Qualifying rounds will consist of thirty-six holes to be played between August 22-31. Entrants who qualify will be shooting for State and National titles in four divisions: Championship 140 (or under)-152, AAA 153-168, AA 169-184, A 185

and over. Trophies and awards will be presented to State and National winners as well as runner up in each division. No prizes will exceed the two hundred dollar limit allowed for amateur golfers.

The tournament is open to all amateur male golfers 15 years of age or over. The entry fee for all events is ten dollars which includes a one year membership in the AGA.

Entry blanks and further information may be obtained from the Tournament Director of the American Golf Association, 206 South Green Street, Morganton, North Carolina 28655.

Detroit Auto Show Dates Set

DETROIT--Mammoth Cobo Hall will be the scene of the 54th Detroit Auto Show from Saturday, Nov. 15 through Sunday, Nov. 23, it was announced by Roland Rinke, president of the Detroit Auto Dealers Association.

Rinke, who owns Rinke Pontiac Inc., Warren, Michigan, said many imported cars and displays of some of the latest recreational vehicles will add allure to a complete showing of all 1970 domestic cars during the nine-day event.

Boyce Tope, executive vice president of the sponsoring Detroit Auto Dealers Association, will manage the 54th Detroit Auto Show, said Rinke.

Rinke predicts that the planned exhibits, events and entertainment will help this year's show to top last year's record-breaking attendance of more than 311,000 persons.

OVER 800 COMPETE Winners in Huron Park Swim Meet Earn Medals

BELLEVILLE—Over 800 boys and girls, ages 8 through 17, completed the Ninth Annual Age-Group Swimming Meet held at Lower Huron Metropolitan Park near Belleville on Tuesday and Wednesday, August 5 and 6.

Over 200 medals were presented to first, second and third place winners in the 42 individual and 8 relay events by Weston Van Hille and Ron Swantek, members of the lifeguard staff.

There were two triple medal "first place" winners. Sharon Burlingame, age 12, of 33647 Kathryn Street, GARDEN CITY, won the 80-yard breaststroke at 1:04.4; the 80-yard backstroke at 57.0 and was a member of the first place relay team in the 160-yard freestyle relay at 1:31.0. She is a member of the Garden City Parks and Recreation Team.

ALSO EARNING three "first place" medals was

Glenn Turnbull, age 12, 31036 Balmoral, GARDEN CITY, who won the 80-yard breaststroke at 57.0, the 80-yard freestyle at 46.0 and 160-yard freestyle relay, with three other team members. He is also a member of the Garden City Parks and Recreation Team.

Double "first place" medal winners included: Pamela Kloote, age 16, 36816 Sunnydale, LIVONIA, who won the 120-yard freestyle at 1:15.4 and the 80-yard butterfly at 52.1.

Jeanne Leclair, age 13, 1496 Hartsogh, PLYMOUTH, who won the 80-yard butterfly at 52.1 and the 160-yard individual medley at 1:56.2.

Janet Mirsky, age 10, 3249 Oakwood Street, ANN ARBOR, who won the 40-yard freestyle at 23.4 and the 40-yard breaststroke at 31.0.

LAURA PASTERNAK, age 14, 11439 St. Aloysius, ROMULUS, who won the 80-yard backstroke at 52.8 and the 80-yard breaststroke at 1:01.7.

Paul Griffith, age 10, 3636 Eli Road, ANN ARBOR, who won the 40-yard freestyle at 22.7 and the 40-yard backstroke at 26.6.

Other winners were Brad Susterka, 14, of 47760 West Huron River Drive, first place in the 160-yard individual medley with a time of two minutes one second in the 13-14 age group. He is a member of the Belleville Tigers Swim Club.

Also Chet Meyer, 17, of 47135 Lauren Court, third place in the 120-yard Freestyle for 15-17 age group. He is also a member of the Belleville Tigers Club. His time was one minute eight seconds.

Ski Show

DETROIT--Jean-Claude Killy has signed to star in the International Ski & Winter Sports Show being held at the Detroit Light Guard Armory, Oct. 24-26.

The show is being produced by Exposition Marketing Incorporated.

Killy will appear on behalf of Chevrolet, The Head Ski Company and United Air Lines.

Several times daily, he will be available to meet the public, answer questions and chat with both recreational skiers and racers.

This will be the first time Killy has participated in a traveling exposition.

Greece may vote next summer on a new constitution.

A WINNER--Belleville owner, Louis L. Kiser had a winner at Hazel Park Harness Raceway, Wednesday, (Aug. 6) as Miss Ellen Sue (5) outlegged the field to take a one mile pace. Tom Wants, a top young driver, drove the winner who edged Jim Merriman, Jr.'s (Wayne) Pace On (4) for top money.

Scouts Qualify for 'Swim'

Carrying out one of the basic purposes of the Boy Scout program to develop physical fitness, about 350

local Boy Scouts have qualified for the Mile Swim Award so far this summer.

The recognition is not required for the advancement program, but is eagerly sought as an additional challenge to many good swimmers.

Requirements for the Mile Swim Award state that a Boy Scout must swim one continuous mile under safe conditions and under the supervision of a qualified supervisor.

Detroit Area Council Scout Camps offer a good opportunity to qualify for the Mile Swim where qualified life guards make sure that all precautions for safety are taken.

A small emblem worn on the swim trunks is given for recognition of this physical feat.

INSTRUCTIONAL CENTERS LISTED

Community College Fall Program Opens Sept. 8

The High quality of Wayne County Community College's fall program was illustrated again this week as The University of Michigan and Eastern Michigan agreed to accept college transfer credits from the new college opening Sept. 8, 1969.

The growing list of transfer agreements includes arrangements with Wayne State University, Michigan State University, Macomb County Community and Oakland County Community College.

"This fall's program is the first step in meeting demands of Wayne County citizens for an extended education beyond high school," explained Murray Jackson, the college's Executive Director. "With the funds available we cannot create a truly comprehensive

community college system, but we can maintain a high standard in the courses we are able to present."

The provision of \$998,000 in state aid included in the state's higher education bill, together with student tuition will support the college during the 1969-70 school year.

A \$150,000 grant from New Detroit, Inc. will expand the basic instructional program to include counseling services, a learning resources laboratory, and developmental student program.

LOCAL SCHOOL boards and community leaders have responded enthusiastically to the growing need for a community college by lending or leasing school buildings in 18 locations throughout the Wayne

County College district. They will be open for evening classes between 6 and 10 p.m. for the coming school year.

The instructional Centers for Detroit will be located in:

Central High School, 2425 Tuxedo; Chadsey High School, 5335 Martin; Cody High School, 18445 Cathedral; Denby High School, 12800 Kelly Road; Ford High School, 20000 Evergreen; Kettering High School, 6101 Van Dyke; M. L. King High School, 3200 E. Lafayette; Northwestern, 6300 Grand River; Osborn, 11600 E. Seven Mile; and Western, 1500 Scotten.

There will also be an Instructional Center in Delray at a location to be announced.

Suburban Instructional Centers will be located in:

Ecorse High School, 27385 W. Outer Drive, Ecorse; Grosse Pointe North, 707 Vernier Road, Grosse Pointe; Copernicus Jr. High School, 11422 Charest, Hamtramck; New Boston-Huron High School, 24820 Merriman Road, at Huron River Drive; J.F. Kennedy High School, Northline and Pine, East of Telegraph; Taylor; John Glenn High School, 36105 Marquette, Westland; and Lincoln Jr. High School, 4460 18th, Wyandotte.

lack of funds, the use of these 18 centers has the positive advantage of bringing Wayne County Community College into intimate contact with the community it wishes to serve.

"We will not be an isolated, 'ivory tower' institution," stated Executive Director Jackson. "Our poverty, and indeed our very purpose forbids it. We are striving to make Wayne County Community College directly responsive to the community's educational needs."

Applications from over 800 instructors holding a Master's Degree or beyond have already been received through the active cooperation of Oakland and Macomb County Community Colleges and area high schools.

Requests for student applications are coming in at the rate of 150 a day, and over 3,000 preliminary applications have been returned. A sample of these applications indicates that housewives, business men, and even grandmothers as well as "college age" students will attend classes at Wayne

County Community College this September. Total enrollment is expected to reach 6,000 part-time students.

Registration begins at each instructional center on Sept. 2 at a low tuition rate of \$9 per credit hour. Books will be available at each location during registration.

The courses being offered for the fall semester are listed below together with a key to the instructional centers in which they will be offered.

All courses are three credit hours with the exception of a few science, language, and humanities courses which are four credit hours. Student requests will be considered in adding or dropping the

courses available at each center. To receive an application contact Wayne County

Community College: 2978 West Grand Boulevard; Detroit, Michigan 48202; Phone No. 872-0705.

ROMULUS TOWNSHIP ORDINANCE NO. 69-79

AN ORDINANCE TO CONTROL NARCOTIC AND HYPNOTIC DRUGS AND TO PROVIDE FOR PENALTY FOR VIOLATIONS THEREOF:

THE TOWNSHIP OF ROMULUS ORDAINS:

SECTION 1. DEFINITIONS: The following words and phrases, as used in this ordinance, shall have the following meanings unless the context otherwise requires.

1. "Narcotics" and "Hypnotic Drugs" as are defined in Act 343 of the Public Acts of Michigan of 1937, as amended; Act 204 of the Public Acts of Michigan of 1943, as amended; Act 266 of the Public Acts of Michigan of 1952, as amended.

2. "Introduction Device" means a hypodermic syringe or needle or any other instrument or implement adapted for the use of "Narcotics" or "Hypnotic Drugs" by subcutaneous injection or intracutaneous injection or any other manner of introduction of "Narcotics" or "Hypnotic Drugs", including but not limited to, gelatin capsules.

3. "Non-medical Habitual User" means any person who habitually uses "Narcotics" or Hypnotic Drugs" so as to endanger the public morals, health, safety or welfare, or who is so far addicted to the use of "Narcotics" or "Hypnotic Drugs" as to have lost the power of self control with reference to his addiction.

SECTION II. "INTRODUCTION DEVICES"; sale and possession prohibited;

1. SALE: It shall be unlawful for any person for profit or otherwise to sell, furnish, supply or distribute Introduction Devices to any person known to be a Non-Medical Habitual User.

2. POSSESSION; EXCEPTIONS: It shall be unlawful for any person at any time to knowingly have or possess an Introduction Device unless such possession is under legitimate medical supervision such as authorized by State or Federal Law; provided, that the prohibition contained in this section shall not apply to manufacturers, wholesalers, jobbers, licensed medical technicians, technologists, nurses, hospitals, research teaching institutions, clinical laboratories, medical doctors, osteopathic physicians, dentists, chiropractors, veterinarians, pharmacists and embalmers in the normal legal course of their respective business or profession.

SECTION III. FRAUD IN THE SALE PROHIBITED: It shall be unlawful for any person to use or employ fraud, deceit, trick, misrepresentation, or other subterfuge for the purpose of inducing another to buy or otherwise obtain any substance represented to be Narcotics or Hypnotic Drugs, regardless of whether such substance Narcotics or Hypnotic Drugs.

SECTION IV. VOLUNTARY COMMITMENT; any Non-Medical Habitual User of Narcotics or Hypnotic Drugs who shall make voluntary application to the judge of the District Court may, upon the presentation of a certificate executed by a practicing physician in the State of Michigan stating that he is a Non-Medical Habitual User of Narcotics or Hypnotic Drugs, be committed, at the discretion of the court, to any correctional or charitable institution, hospital, sanitarium or institution authorized for the treatment of disease or inebriety or drug addiction. Whenever the medical officer or head of such institution shall certify to the committing judge or court that any person so committed has been sufficiently treated or gives any other reason which is deemed by such judge or court to be adequate and sufficient, the court may, in accordance with the terms of commitment, discharge the person so committed or return him to await further action of the court.

SECTION V. LOITERING ABOUT PLACES WHERE DRUGS, ETC., ARE ILLEGALLY USED, ETC.: It shall be unlawful for any person to loiter about any store, shop, warehouse, dwelling house, building, vehicle, boat, aircraft or any place whatever which is known to such person to be resorted to by Non-Medical Habitual Users for the purpose of using Narcotics or Hypnotic Drugs or which is used for illegal keeping or selling of the same.

SECTION VI. PENALTY: Any violation of any provision of this ordinance shall be punishable by a fine of not more than \$500.00 or imprisonment of not more than 90 days or by both such fine and imprisonment. This section does not apply to SECTION IV.

SECTION VII. REPEAL: All Ordinances or parts of Ordinances in conflict herewith are hereby repealed only to the extent necessary to give this Ordinance full force and effect.

SECTION VIII. SEVERABILITY: Should any portion of this Ordinance be held invalid for any reason, such holding shall not be construed as affecting the validity of any of the remaining portions of this Ordinance.

SECTION IX. EFFECTIVE DATE: This Ordinance is hereby declared to be an emergency Ordinance necessary for the preservation of public peace, health, safety and welfare of the people of the Township of Romulus and shall become effective thirty days after publication.

ALFRED J. PERRY, CLERK
TOWNSHIP OF ROMULUS

I, Alfred J. Perry, Clerk of the Township of Romulus, do hereby certify that the foregoing is a true copy of an Ordinance adopted by the Romulus Township Board at a meeting held at Romulus Township Hall on the 4th day of August, A.D. 1969.

ROMULUS TOWNSHIP ORDINANCE NO. 69-72-A

AN ORDINANCE TO CREATE THE OFFICE OF COMMISSIONER OF NOXIOUS WEEDS FOR THE TOWNSHIP

WHEREFORE, The Township Board hereby finds that the existence and proliferation of noxious weeds in the Township of Romulus is detrimental to the public health, safety and welfare of the citizens of the Township; and

WHEREFORE, The Township Board considers it to be in the best interests of the Township to implement Act 359, Michigan Public Acts of 1941, as amended.

NOW THEN BE IT ORDAINED

Section 1. That the Township Board may appoint by resolution a Romulus Township Commissioner of Noxious Weeds who shall hold office for a term of two years and until a successor is appointed and qualified and shall receive for his compensation such sum as will be set by board resolution. Prior to receiving payment for services, the Commissioner shall file with the Township Treasurer, an affidavit stating the number of days spent in the performance of his duties. The Township Board shall report the name and address of the person so appointed to the State Department of Agriculture within ten days after making such appointment.

Section 2. For the purposes of this ordinance, the term "noxious weeds" shall include, in addition to those weeds mentioned in Section 2 of Act 359 of 1941, all weeds, other than grain, ornamental flowers, plants, trees, vegetables, hedges and bushes, which shall be over one foot in height.

Section 3. The Commissioner and Noxious Weeds shall diligently inquire concerning the introduction and existence of noxious weeds in his township, and if any are found growing therein, he shall take charge of all such growing and take care that they do not go to seed or otherwise spread, or become a detriment to the public health and he shall carefully seek and learn, so far as practicable, the best methods of their destruction, and he shall persistently apply in proper time such remedy or treatment as shall be best calculated to prevent their spread and to eradicate the same.

Section 4. The Commissioner of Noxious Weeds shall have full power to implement the provisions of Act 359 of Public Acts of 1941, as amended, and, in connection therewith, to notify owners or occupants of land on which noxious weeds are found growing by certified mail, return receipt requested, notice pursuant to Section 4 of Act 359 of Public Acts of 1941, as amended, to remove said weeds, and, upon failure of said owner or occupant to remove said weeds, to enter upon the lands on which said weeds are found growing, to remove said weeds, to impose and enforce a lien against said lands for the repayment of the expense of removal, and to prosecute violators of the laws concerning noxious weeds. Any owner who shall refuse to destroy such noxious weeds, as provided for in this section, shall be subject to a fine of not more than \$100.00; said fine when collected to be paid to the Township General Fund and shall become a part of the "noxious weed control fund" of the Township.

Section 5. The Commissioner of Noxious Weeds shall apply the best known means, and use the utmost diligence, in eradicating noxious weeds; but he shall not have power to expend in work or materials more than \$25.00 on any one (1) infested tract, without the advice and consent, in writing, of the Supervisor of the Township.

Section 6. The Commissioner of Noxious Weeds shall, annually, before the first (1st) day of December, make a written report to the department of agriculture and to the Township Board. Said report shall be made out upon blank forms furnished by the department of agriculture and shall contain such information with reference to the existence and growth of noxious weeds as said department may require.

Section 7. This ordinance is amendatory to and supplants Ordinance No. 68-72. All ordinances or parts of ordinances in conflict herewith are hereby repealed only to the extent necessary to give this Ordinance full force and effect.

Section 8. Should any portion of this Ordinance be held invalid for any reason, such holding shall not be construed as affecting the validity of any of the remaining portions of this Ordinance.

Section 9. This ordinance shall become effective thirty days after publication.

ALFRED J. PERRY, CLERK
TOWNSHIP OF ROMULUS

I, Alfred J. Perry, Clerk of the Township of Romulus, do hereby certify that the foregoing is a true copy of an Ordinance adopted by the Romulus Township Board at a meeting held at Romulus Township Hall on the 4th day of August, A.D. 1969.

ALFRED J. PERRY, CLERK

Developers' Charges Studied by Romulus

ROMULUS-Funds now expended by Romulus Township to defray expenses for official investigations of proposals, programs and project plans submitted by developers will be borne by developers under a plan now being studied by township administration.

Township Supervisor Roderick E. Smith reported that he and staff members are researching the legality of whether or not the Township can require developers to deposit certain monies with the township with submitting their developing program, plans or proposed projects.

He reported that he has advised the Township Board of the research-study and added that the City of Southfield and Canton Township have inaugurated plans requiring the deposit by developers of funds (so much per unit or acre) when submitting their plans or planned residential or commercial projects.

SMITH STATED that Romulus in many instances has had to employ the services of township advisers, who are on partial retainers,

or for expenses of members of administrative staff to investigate, check, research various phases of programs and projects submitted by developers.

Even when their planners, engineers and other personnel submit projects plans we at times still have to re-check various aspects. Such expense is paid from the township's general fund.

Smith stated that Parkins, Rogers & Associates, planning consultants for the township, have agreed (without cost) to prepare a schedule of fees for submission to the Township Board for consideration.

THE SUPERVISOR cited instances where a builder would submit his plans, pay the building permit fee and the township would have to have a re-check made and bear the additional expense such investigation would entail.

The largest remaining stand of virgin white pine in Michigan is in Hartwick Pines State Park, northeast of Grayling. Two of the giant white pines are estimated to be more than 300 years old, according to the Michigan Tourist Council.

ROMULUS TOWNSHIP RESOLUTION NO. 69-15

WHEREAS the township of Romulus and the township employees, represented by Local Chapter 64-A and Metropolitan Council No. 23 of the International Union of the American Federation of State, County and Municipal Employees, have entered into a union contract effective April 15, 1968 and

WHEREAS it is the desire of Romulus Township that the township employees and also retired employees who receive a pension from the Township Plan be covered by hospitalization insurance and

WHEREAS Romulus Township desires that hospitalization insurance remain in effect for all township employees who are on leaves of absence, providing said employees pay the necessary insurance premiums while on leaves of absence except those employees on personal leaves of absence for medical reasons, excluding maternity leaves, in which event the township will pay the premiums for said employees for the first 90 days of said leave of absence for medical reasons.

NOW THEREFORE BE IT RESOLVED: That the present contract between Blue Cross-Blue Shield and Romulus Township be amended to provide the same and equal coverage for retired employees who receive a pension from the Township Pension Plan as is now granted to other township employees.

BE IT FURTHER RESOLVED: That the present contract between Romulus Township and Blue Cross-Blue Shield be amended so that it will:

(1) remain in effect for all township employees who are on leaves of absence provided, however, that said employees will pay the necessary policy premiums to the township during said period of leave of absence and said township will, in turn, remit said premiums to the Michigan Hospital Service and except that

(2) the township will pay the premium for the first 90 days of coverage for all employees on personal leaves of absence for medical reasons commencing with the first day of said leave of absence for medical reasons, excluding maternity leave, and that said employees shall pay to the township the premiums for said policy coverage extending beyond the first 90 days of said leave of absence, the Township in turn will remit said premiums to the Michigan Hospital Service, provided that

(3) in all cases, failure of the employee to pay the above required premiums, when due, shall be cause for termination of coverage.

TOWNSHIP OF ROMULUS AUDIT REPORT April 11, 1968 to April 10, 1969

To the Romulus Township Board
Romulus, Michigan

We have examined the statements of cash receipts and disbursements for the various funds of the Township of Romulus for the Fiscal year ended April 10, 1969. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the accompanying statements of cash receipts and disbursements and supporting schedules of the various funds present fairly the financial position of the Township of Romulus at April 10, 1969, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a consistent basis.

Respectfully submitted,
Post, Smythe, Lutz, and Ziel /S/

Do Want Ads work?

Do men like steak?

Both questions have to be answered in the affirmative...and with gusto!

A thick, juicy steak has a way of satisfying a hungry man which is unequalled by any other food.

And Want Ads have a way of working...producing results for both buyer and seller...which is unequalled by any other form of advertising.

Never used a Want Ad? You'll be surprised at the sizzling results they bring!

Placing your low-cost Want Ad is a very simple matter. All you have to do is dial 729-3300 and we'll put a Want Ad to work for you.
